

PUBLIC PARKS AND RECREATION FACILITIES INVENTORY

State Form 54531 (4-11)
INDIANA DEPARTMENT OF NATURAL RESOURCES
DIVISION OF OUTDOOR RECREATION

Dear Outdoor Recreation Provider / Planner,

The following pages are Facility Inventory Sheets that the IDNR, Division of Outdoor Recreation uses to update our facility inventory database for the State of Indiana. This database is essential for establishing a record of the current supply of outdoor recreation opportunities in our State. The information is used for completing the Statewide Comprehensive Outdoor Recreation Plan (SCORP) which is a prerequisite for receiving Land and Water Conservation Fund grant money. Another use of the database is to answer questions from the public. For example, "Do you have a list of camp grounds in "a specific area" of the state?" or "Do you have a list of good lakes for swimming?" The facilities inventory is also used in our GIS information that can be accessed via the internet.

As you can see, having a comprehensive up-to-date inventory benefits outdoor recreation at all levels.

We would appreciate it if you could fill out the pages that apply to your facilities to the best of your ability. Although most responses require a checkmark or a number, the more information a provider or planner can include on these forms, the better our picture of Indiana will be and we will be better able to make sound objective decisions concerning the future.

We ask that you fill out a Facility General Information sheet for each facility (e.g., park, school, marina, etc.) and any other applicable sheet. For example, a park may have General Facility Information, Athletic Areas, Picnic and Playground Areas, Camping or Lodging Facilities, Trails, and Educational or Community Facilities sheets; while a golf course would complete the Facilities General Information and the Golf Facilities question.

It is only necessary to complete the questions that are pertinent to each facility. One reason for implementing this style of inventory sheet is to decrease the amount of paper that is used for a facility with just a few amenities. If you print the sheets, you only need to print the ones you will use and you can duplex (doubleside) them.

You can e-mail gbeilfuss@dnr.IN.gov for a Word copy of the inventory sheets to complete and return electronically.

If you have any questions, comments, or need assistance completing the facility inventory sheets, please, contact
