## Instructions for Schedule IN-529R

A 529 college savings plan is a reference to Section 529 of the Internal Revenue Code. Contributions to this type of plan are made on behalf of a beneficiary, and are to be used to pay qualified higher education expenses. While there are many 529 college savings plans available both in Indiana and nation-wide, only contributions made to the CollegeChoice 529 education savings plan are eligible for an Indiana tax credit.

## Who must file Schedule IN-529R?

An owner of a CollegeChoice 529 education savings plan account who makes a non-qualified withdrawal during the year must repay all or a part of any Indiana tax credit allowed. The account owner must complete and enclose Schedule IN-529R with his or her Indiana income tax return (Forms IT-40 or IT-40PNR).
