**Instructions for Completing
Certificate of Gross Retail or Use Tax

Recreational Vehicle, or Cargo Trailer For a Nonresident**

The ST-108NR allows the dealer to indicate the amount of tax collected from the purchaser. The dealer is then required to submit the sales/use tax to the Indiana Department of Revenue on Form ST-103CAR.

If an exemption from the tax for a motor vehicle, recreational vehicle, or cargo trailer to be titled in Indiana, the purchaser and the dealer must complete Form **ST-108E** and submit it to the license branch at the time of licensing. ST-108E serves as an affidavit of exemption by the purchaser and lists the exemptions available to qualified purchases.

For motor vehicles subject to the annual license tax under IC 6-6-5 if the vehicle was to be used in Indiana, you should use this form for all states. For sales of recreation vehicles and cargo trailers (as defined under IC 6-2.5-5-39), use this form for sales to the following jurisdictions: Arizona, California, Florida, Hawaii, Kentucky, Massachusetts, Michigan, Mississippi, North Carolina, South Carolina, and any foreign country that does not provide an exemption for vehicles to be registered in Indiana. Also use this form for sales of cargo trailers to customers in Kentucky, Maine, and Rhode Island. Sales of recreational vehicles and cargo trailers to all other states outside Indiana are not subject to Indiana sales tax under IC 6-2.5-5-39.
