Under IC 9-32-13-6, it is an unfair practice for a dealer to sell, exchange, or transfer a salvage or rebuilt motor vehicle without disclosing in writing to the purchaser, customer, or transferee the fact that the motor vehicle is a salvage or rebuilt motor vehicle if the dealer knows or should reasonably know before consummating the sale, exchange, or transfer that the vehicle is a rebuilt vehicle.

A rebuilt vehicle is a salvage vehicle that has been restored to operable condition.

*A salvage vehicle is a vehicle that has been declared economically impractical to repair by an insurance company, has been flood damaged, has had a salvage title issued by another jurisdiction, or is otherwise described in IC 9-13-2-160. **A vehicle with a salvage-branded title is not eligible for an interim license plate.***
