I hereby certify under penalty of perjury, that the information contained herein is true, correct, and complete to the best of my knowledge and belief.

Printed Name: _____ Signature: _____ Date: _____

Instructions for Completing the Fuel Inventory Report

What is the IVT-1?

The IVT-1 return is used to report the gallons of fuel held in storage for sale on the effective date of an increase in the fuel tax rate.

Who should file?

- Persons having title to gasoline in storage and held for sale on the effective date of an increase in the gasoline tax rate imposed under Indiana Code 6-6-1.1-201.
- Persons having title to special fuel in storage and held for sale on the effective date of an increase in the special fuel tax rate imposed under Indiana Code 6-6-2.5-28.

When should I file?

This return should be filed and the payment made on or before July 31, 2025.

How do I file my Fuel Inventory Report (IVT-1) and submit my payment?

Customers can use INTIME to file and pay their fuel inventory obligations. Please refer to the INTIME User Guide for Fuel Tax Customers for specific information:

www.in.gov/dor/files/intime-instructions-fuel-customers.pdf.

Mail the completed form and send a check, money order, or cashier's check made payable to the Indiana Department of Revenue to the address listed on the front of the form.

Penalty

Taxpayers who fail to file timely are subject to a penalty of \$5 or 10% of tax due, whichever is greater.

Questions

If you need further assistance, you can contact us on intime.dor.in.gov, at 317-615-2630 or at fetax@dor.in.gov.

Section A – Taxpayer Information

Legal Business Name. Indicate the legal business name.

DBA Name. Indicate the DBA name (if applicable).

Physical Street Address. Indicate the physical street address.

City, State, and ZIP Code. Indicate the city, state, and ZIP code that corresponds to the physical street address.

Telephone Number. Indicate the point of contact phone number for the person responsible for completing the return.

Federal Identification Number. Indicate the 9-digit federal employer identification number (FEIN).

Indiana Taxpayer Identification Number. Indicate the 10-digit Indiana taxpayer identification number (TID).

3-Digit Location Number. Indicate the 3-digit location number if you are filing for a single location.

Consolidated Return. If you wish to file a consolidated IVT-1 for multiple locations, you must include a listing of all locations and corresponding gallons subject to the inventory tax for each fuel type on a separate sheet. Check the Consolidated Return box.

Email Address. Indicate the email address of the person responsible for completing the form. If you do not have an email address, leave this space blank.

Section B – Tax Computation

Line 1. Enter the total number of gallons for each fuel type in storage as of the close of business on June 30, 2025.

Gasoline includes pure gasoline, E-10 and any other ethanol blends through E-85.

Special fuel includes diesel, compressed natural gas (CNG), liquid natural gas (LNG), and dimethyl ether (DME).

Note. In determining the number of special fuel gallons in your inventory, you may exclude the amount of special fuel that will not be pumped out of the storage tank because it is below the mouth of the draw pipe. For this purpose, you may deduct 200 gallons for a storage tank with a capacity of less than 10,000 gallons, and 400 gallons for a storage tank with a capacity that exceeds 10,000 gallons. No such deduction is allowed for gasoline.

Line 2. The amount of the tax rate increase.

Line 3. Multiply Line 1 by Line 2.

Line 4. Add Line 3 amounts from each column.

Line 5. If the return is late, a late fee is assessed. The fee is 10% of the total tax due or \$5, whichever is greater. Enter the greater amount.

Line 6. If your tax liability is not paid in full on or before the due date, interest is assessed. The interest rate is determined on a calendar-year basis and can change from year to year. Please refer to our website at www.in.gov/dor/files/reference/dn03.pdf for the current interest rate. An example of an interest calculation is as follows:

Tax due \$5,000
Payment due 7/31/2025
Payment postmarked:..... 8/23/2025
Days late..... 23
Interest rate 6%

(23 days divided by 365 days) multiplied by 6% multiplied by \$5,000 = \$18.90 interest

Line 7. Add Line 4 plus Line 5 plus Line 6.
