

AFFIDAVIT - REQUEST FOR NON-COMPLIANT CREDENTIAL

State form 56333 (R5 / 8-24)
INDIANA BUREAU OF MOTOR VEHICLES

The legal authority for this form is IC 9-24.

INSTRUCTIONS:

1. Complete this form entirely in blue or black ink.
2. Please read each section thoroughly.
3. This form will allow you to apply for a non-compliant credential. This credential cannot be used to fly on a commercial airline or enter a military base or other secure federal facility.

Why Should I Get a Real ID Compliant Credential?

The Real ID Act of 2005 and Department of Homeland Security (DHS) provide clear guidelines for compliant, state issued credentials. These guidelines help deter fraud and identity theft and have many other security benefits. Pursuant to federal requirements, if you want to fly on a commercial airline or enter a military base or other secure federal facility, you will need to present a Real ID compliant credential to prove your identity.

Customer Requesting Non-Compliant Credential

I _____, having read the above information, hereby acknowledge that the credential I am applying for is **non-compliant** with the Real ID Act. I acknowledge and understand that my non-compliant credential will not be accepted after May 7, 2025 for federal identification purposes, which includes identification for flying on a commercial airline or visiting military facilities or other secure federal facilities that require proof of identity. With this knowledge, I still want to apply for a non-compliant credential.
