**<sup>1</sup>County tax rate update.** Beginning Jan. 1, 2017, the local income tax rate imposed by a county is identical for residents and nonresidents. Therefore, there is just one county tax rate. See Departmental Notice #42 at [www.in.gov/dor/reference/files/dn42.pdf](http://www.in.gov/dor/reference/files/dn42.pdf) for additional information.

### Personal Representative Information

Typically, the department will contact you (and your spouse, if filing jointly) if there are any questions or concerns about your tax return. If you want the department to be able to discuss your tax return with someone else (e.g. the person who prepared it, a relative or friend, etc.), you'll need to complete this area.

If you complete this area, you are authorizing the department to be in contact with someone other than you concerning information about this tax return.

You may decide at any time to revoke the authorization for the department to be in contact with your personal representative. If you do, you will need to tell us that in a signed statement. Include your name, Social Security number and the year of your tax return. Mail your statement to Indiana Department of Revenue, P.O. Box 40, Indianapolis, IN. 46206-0040.

### Paid Preparer Information

Fill out this area if a paid preparer completed this tax return.

**Who may file Form IT-40RNR?** Full-year residents of Kentucky, Michigan, Ohio, Pennsylvania, or Wisconsin may use this form if:

- Your income from Indiana sources is only from wages, salaries, tips or commissions, and
- Your Indiana credits are only from Indiana state and/or county taxes withheld.

While **unemployment compensation** from Indiana sources received by an Indiana nonresident is not subject to tax in Indiana, you must file Form IT-40PNR to claim a refund of ANY Indiana state/county withholdings.

**Important: Do not file this form if you have Indiana riverboat winnings. You must file Form IT-40PNR.**

Form IT-40RNR allows you to figure county tax due. You may owe county tax if, on Jan. 1, 2017, you worked in an Indiana county. Carefully read the instructions for lines 1 through 7 to figure any county tax due.

**Important:** Complete your federal tax return first. If you file a joint federal return, you must file a joint Indiana return. If you file a separate federal return, you must file a separate Indiana return.

**County information section:** Since you were a full-year nonresident of Indiana for 2017, you must enter the 2-digit code number for the state in which you lived. You'll find this number on the chart on page 1 of the instructions.

The county where you worked will be that county where you performed the principal amount of your work on Jan. 1, 2017. Changes in the Indiana county where you worked after Jan. 1, 2017, will not affect your county tax liability until the following year.

If you did not work in Indiana until after Jan. 1, 2017 (*or not at all*), you are not subject to county tax this year. You should enter your 2-digit state code number in the *County where you worked* boxes.

**Answer the following questions:**

- Was your principal place of employment on Jan. 1, 2017, located in an Indiana county? If yes, go on to the next question. If no, skip lines 1 through 8 and enter all Indiana state and county withholding amounts on lines 9 and/or 10.
- If you answered yes to the above question, complete all appropriate lines, beginning with line 1. If no, skip lines 1 through 8 and enter any Indiana withholding amounts on lines 9 and/or 10.

**Line-by-Line Instructions**

**Lines 1A and 1B - Gross income from Indiana principal place of employment (county where you worked):** Enter the amount of wages, tips, salaries, and commissions earned in Indiana. If you received any other type of income from Indiana, such as partnership, farm, sole proprietorship, etc., then do not file this form. Instead, Form IT-40PNR *must* be filed.

**Lines 2A and 2B - Allowable deductions:** Enter any deduction claimed on your federal return (Forms 1040/1040A)

that applies directly to your Indiana earned income. Such a deduction could include the educator expense, if it is directly related to the income reported on line 1. Do not enter any itemized deductions.

**Line 4A and 4B - Exemptions:** Read the following to see which exemptions are available to you.

You are allowed \$1,000 for each exemption claimed on your federal return\*; plus you and/or your spouse if age 65 or older; plus you and/or your spouse if blind.

\* You are allowed \$1,000 for yourself even if someone else can claim you on their federal return.

You are allowed \$500 for you and/or your spouse if age 65 or older and your federal adjusted gross income is less than \$40,000.

You are allowed \$1,500 for certain dependent children who also meet the following requirements: the dependent child must be a son, stepson, daughter, stepdaughter, and/or foster child who is your child. The child must be under the age of 19 by Dec. 31, 2017, or a student who is under the age of 24 by Dec. 31, 2017.

Generally, in the case of a joint return, the taxpayer with the highest county tax rate would benefit the most by claiming the dependents.

**At no time can one spouse use the other spouse's personal exemption(s).**

Example: Jim and Rita both owe county tax. They claimed themselves and their son for a total of three exemptions on their federal income tax return (\$3,000 in Indiana exemptions). They'll also get an additional \$1,500 for their son, for a \$4,500 total. Since Jim's tax rate is higher than Rita's, he'll use \$3,500 total exemptions on line 4A and Rita will use her \$1,000 personal exemption on line 4B.

**Line 5 - Taxable income:** Subtract line 4 from line 3. If the answer is less than zero, leave blank.

**Line 6A and 6B - County tax:** Enter the county tax rate from the chart for the county where you worked on Jan. 1, 2017.

**Line 9, 10 - Indiana state and county tax withheld:** Add all *Indiana* state and county tax withheld on your W-2 forms and your spouse's W-2 forms and enter the totals on the appropriate line. You

must enclose all your W-2 forms to verify these amounts.

**Line 13 - Direct Deposit**

If you want your refund directed into your bank account, complete lines 13a, b and c.

- a. The routing number is 9 (nine) digits, with the first two digits of the number beginning with 01 through 12 or 21 through 32.
- b. The account number can be up to 17 digits. Omit any hyphens, accents and special symbols.
- c. Check the appropriate box for the type of account you are making your deposit.
- d. To comply with banking rules, you must place an X in the box on line d if your refund is going to an account outside the United States. If you check the box, we will mail you a paper check.

**Line 15 - Penalty:** If your return is filed after the April 17, 2018 due date, and you have an amount due, you will probably owe a penalty. Penalty is 10 percent of the line 14 amount due or \$5, whichever is greater. Exception: If you have a valid federal or state extension of time to file and are filing by the extended filing due date, then no penalty is due.

**Line 16 - Interest:** If your tax return is filed after the April 17, 2018, due date and you have an amount due on line 14, you will owe interest (even if you have an extension of time to file). Visit our website at [www.in.gov/dor/](http://www.in.gov/dor/) (get Departmental Notice #22) for the current interest rate.

**Line 17 - Amount You Owe:** There are several ways to pay the amount you owe. If sending a check, money order or cashier's check, make it payable to: Indiana Department of Revenue. Just include it loose in the envelope.

**Note:** All payments made to the Indiana Department of Revenue must be made with U.S. funds.

You may also pay by using your MasterCard® or VISA® by calling 1-800- 2-PAY TAX (1-800-272-9829). Or, log on to [www.in.gov/dor/4340.htm](http://www.in.gov/dor/4340.htm) and use your MasterCard® or VISA® to make a payment.

The eCheck payment method, which uses a paperless check, is available. Go to our website at [www.in.gov/dor/4340.htm](http://www.in.gov/dor/4340.htm) and follow the step-by-step instructions to make your payment. The fee for using this service is \$1.00.
