

## CONSENT TO RELEASE CONFIDENTIAL CASE FILE INFORMATION FOR CHILD SUMMARY COMPLETION

State Form 56662 (2-19)  
DEPARTMENT OF CHILD SERVICES

**INSTRUCTIONS:** In situations where a child social summary is requested and a child is not legally available for adoption, parental consent is required for a provider to review the file for completion of the child summary. Please complete a separate consent form for each child and parent/guardian/custodian combination. If there are two or more parents/guardians/custodians involved with a child's case and only one parent/guardian/custodian signs this consent form, a provider cannot review the entire case file. In such occurrences, the Family Case Manager (FCM) may only provide case file information concerning the consenting parent/guardian/custodian and the respective child to a Child Social Summary provider.
