This is not a receipt that the individual is confirmed to have registered to vote. This receipt is not necessary if a member of the voter's household delivers this combined form on behalf of the voter (IC 3-11-4-2); however, any person other than the voter delivering this application to a county office is to complete the ABS-19 affidavit to affirm delivery of the absentee application to the county.

SECTION 12 – INSTRUCTIONS FOR COMPLETING THIS FORM

Personal Information Section (Section 4)

Questions 1 and 2 are required fields. If you check "no" in response to either question 1 or 2, do not complete this application. You are not eligible to register to vote in Indiana.

Questions 3, 4, 5, and 6 are required fields. This section asks you for your first name, middle name (or initial), last name, and any suffix. This information will be used on your voter registration record and be used to locate your registration record to process the form as the voter's absentee application.

Question 7 is a required field. Please provide your date of birth in the format of two-digit month, two-digit day, and four-digit year. This information will be included on your registration record and used for processing your absentee application.

Question 8 is optional, as it asks for the Indiana county in which you live.

Question 9 is a required field. You must include the residence address of where you live. If your address is a rural route, include the box number. If your residence has no address or street number, attach a short description of its location or attach a map. Do NOT use a PO Box for your residence address.

Questions 10, 11, and 12 are optional.

Voter Registration Information Section (Section 5)

Question 13 is a required field asking for your Voter Identification Number. You are required to provide your Indiana driver's license number, state ID number, or learner's permit number as issued by the Indiana Bureau of Motor Vehicles. If you do not have an Indiana driver's license, state ID, or learner's permit number, provide the last four digits of your social security number. If you do not have an Indiana driver's license, state ID, or learner's permit number, or a social security number, you must indicate "None" on this line.

Question 14 is optional. A voter can provide their mailing address where the individual would like correspondence related to their voter registration record to be mailed.

Question 15 is optional. If you have been registered to vote at a previous address that is not the same as the residence address entered in question 9, please provide that information, if possible.

Question 16 is optional. If you were previously registered to vote under a different name that is not the same as the names used in questions 3, 4, 5, and 6, please provide that information, if possible.

Absentee Balloting Information Section (Section 6)

Question 17 is required to receive an absentee ballot. Voters with print disabilities can request their absentee ballot to be mailed, faxed, or email to the voter. Subsequently, the voter will need to provide either their mailing address, fax number, or email address in the designated space.

Question 18 is used for absentee balloting requests in the May primary election. To receive a Democratic OR Republican ballot in the primary election, the voter must indicate their party preference here. This is NOT used to register you as a member of a party; instead, it gives direction to the county election board about which party's ballot you would like to nominate candidates at the May primary election. Alternatively, a voter may request a non-partisan ballot for the May primary, which will include any public question that may be certified to the county. Please note: This is not used for voter registration purposes. The choice here gives direction to the county election board about which party's primary you would like to participate in. If a voter does not make a party selection, then no absentee ballot for the May primary ballot will be sent to the voter, assuming this combined form is received by the absentee deadlines for the May election.

Question 19 is an optional field. You may enter the last four digits of your Social Security number. State law requires the absentee application to include this request, but the voter need not provide it for purposes of voting by absentee ballot.

Voter Affidavit Section (Section 7)

Question 20. Please affix your signature after reviewing the voter's affidavit. This application cannot be processed without the voter's original signature in this section. You can use assistive technology to add your signature. If you are unable to sign this form due to disability, please seek assistance from any person other than your employer or union representative to print your name on the signature line.

Affidavit of Assistance Section (Section 8)

If you are unable to sign this application due to disability, then the person who wrote your name on the signature line must complete this section.

Third Party Certificate of Acceptance (Section 9)

If you do not personally file this application with the county voter registration office or the Indiana Election Division, the person who accepts custody of the application must complete this certification before filing the application with the county voter registration office or the Indiana Election Division by noon 10-days after receipt or the registration deadline or absentee application deadline, whichever occurs first.
