## PURCHASE OF SERVICE INFORMATION

A Fund member may make payment for the cost of the service purchase in a lump sum or installment payments over a period not to exceed five (5) years at the interest rate determined by the INPRS Board. Any such purchase may be made via a direct cash payment, a direct rollover as allowed by statute, or a combination of both. Any direct rollover may not exceed the actual cost of such service as established by INPRS. Installment payments are made under the terms of the finance agreement. Service may be purchased in one (1) month increments. The minimum service purchase is one (1) year for a member who elects to purchase service through a finance agreement. Any installment payment shall bear interest at the actuarial rate effective on the date of the first installment.

The member's employer may pay all or a part of the member's contributions required for the purchase of service credit under this section. In that event, the actuary shall determine the amortization, and subsections (g), (h)(1), (h)(3), and (i) do not apply.

At the request of the member purchasing service credit, the amount a member is required to contribute may be reduced by a trustee to trustee transfer from the public retirement fund in which the member has an account that contains amounts attributable to member contributions (plus any credited earnings) to INPRS. The member may direct the transfer of an amount only to the extent necessary to fund the service purchase. The member shall complete any forms required by the public retirement fund from which the member is requesting a transfer to INPRS before the transfer is made.

Any payments are subject to applicable Internal Revenue Code limits, and INPRS may limit any payments in a manner necessary to comply with these limits. INPRS may deny an application for the purchase of service credit if the purchase would exceed the limitations under Section 415 of the Internal Revenue Code. The member may not claim the service credit for purposes of computing benefits unless the member has made all payments required for the purchase of the service credit.

The current 2025 IRC section 415(c)(1)(A) after tax contribution limit is \$70,000.00. You must determine if this cost is in your allowed limit of post-tax contributions to a 401(a). Refer to the [What are the annual compensation limits for all INPRS funds per IRC 401\(a\)\(17\)?](#) FAQ on the INPRS website.

This means that you may not submit a check, or other after-tax money, to INPRS in an amount more than the IRC 415(c)(1)(A) limit in one year. The limit is adjusted annually.

To the extent permitted by the Internal Revenue Code and applicable regulations, INPRS may accept, on behalf of a member who is purchasing service credit, a rollover of a distribution from any of the following:

1. A qualified plan described, in Section 401(a) or 403(a) of the Internal Revenue Code.
2. An annuity contract or account described in Section 403(b) of the Internal Revenue Code.
3. An eligible plan that is maintained by a state, a political subdivision of a state, or an agency or instrumentality of a state or a political subdivision of a state under Section 457(b) of the Internal Revenue Code.
4. An individual retirement account or annuity described in Section 408(a) or 408(b) of the Internal Revenue Code.

To the extent permitted by the Internal Revenue Code and applicable regulations, INPRS may accept, on behalf of a member who is purchasing service credit, a trustee-to-trustee transfer from any of the following:

1. An annuity contract or account described in Section 403(b) of the Internal Revenue Code.
2. An eligible deferred compensation plan under Section 457(b) of the Internal Revenue Code.

### Distributions

A member who terminates service before satisfying the eligibility requirements necessary to receive a retirement benefit payment from INPRS; or receives a retirement benefit for the same service from another retirement system, other than under the federal Social Security Act; may withdraw the contributions made for the purchase plus accumulated interest after submitting a properly completed application to INPRS.
