

EQUIPMENT LIST FOR NEW ADDITIONS TO ERA DEDUCTION NEW FARM EQUIPMENT IN ECONOMIC REVITALIZATION AREA

State Form 57203 (12-22) Prescribed by the Department of Local Government Finance FORM 102-EL

PRIVACY NOTICE This form contains confidential information pursuant to IC 6-1.1-35-9.

INSTRUCTIONS:

- 1. This schedule must be filed when any new farm equipment is claimed on the schedule of deduction from assessed valuation (Form 102-ERA) that has been installed after the prior year assessment date.
- A separate list must be completed for each approved abatement (Form SB-1/AG PP). The equipment list must be attached to the corresponding Form 102-ERA and made part of the Business Personal Property Return (Form 102) filed with the assessor not later than May 15, unless an extension of up to thirty (30) days is granted in writing.
- 3. A taxpayer's internal list may be attached to this form. Any data omitted from that taxpayer format must be added here, using the Reference Number Column to cross reference to the taxpayer formatted list.
- 4. The purpose column is to describe the item in sufficient detail to assist the assessing official to determine that the item is eligible for abatement as equipment s defined in IC 6-1.1-12.1-1. An entry may be left blank if the item is self-describing.
