INFORMATION (Continued)

Pre-1990 Line of Duty Disability, Class 1 and Class 2 Disability

Effective July 1, 2017, and retroactive to January 1, 2015, members approved for line-of-duty or duty-related disability benefits are eligible to receive both their disability monthly benefit as well as a modified DROP lump sum.

If the member chooses Option A, there is no DROP lump sum payable, and the member's disability retirement is processed as if the member had not enrolled in the DROP program.

Refer to the <u>1977 Police Officers' and Firefighters' Retirement Fund Member Handbook</u> and the <u>Excise, Gaming, and Conservation</u> <u>Officers' Retirement Fund Member Handbook</u> available on the <u>INPRS website</u> for additional information about DROP Disability.

Your potential DROP benefit amount, along with your annual pension, will be reviewed to determine if the amounts together exceed the current Internal Revenue Code 415(b) compensation limit. * In the unlikely event that your benefits exceed the current 415(b) limit, INPRS may be prevented from distributing a portion of your benefits to you. Please review and discuss your DROP options and benefit amounts with your professional tax advisor before submitting your DROP application.

* During this review, your potential DROP benefit amount is calculated as an annuity using assumptions required by federal law and added to your annual pension benefit, the total of which cannot exceed the current Internal Revenue Code 415(b) limit.
