Under IC 25-37.5-1-10, a valuable metal dealer (as defined by IC 9-37.5-1-1) may not purchase or attempt to purchase a catalytic converter, in whole or in part, when the catalytic converter is not attached to the motor vehicle at the time of the sale or attempted sale, unless the seller is a used parts dealer (as defined by IC 9-13-2-195) or an automotive repair company.

A detached catalytic converter presented to be sold by a Seller that is not a used parts dealer or an automotive repair company may be purchased by a valuable metal dealer if the Seller presents the valuable metal dealer with an affidavit executed by a law enforcement officer attesting to the officer's reasonable belief that the catalytic converter lawfully came into the possession of the person attempting to sell the catalytic converter.

**This affidavit is valid for seven (7) days after law enforcement officer signature.**
