SECTION C – REPLACEMENT OR DUPLICATE M-PLATE

This section does not apply if your dealer plate numbers do not begin with “M”.

If the plates being reported are M-plates, the new plates can either be duplicate or replacement:

- Duplicate plates will have the same numbers as the reported plate
- Replacement plates will have the next-available number sequencing in that M-prefix

If the reported plates have been stolen, law enforcement is notified. Obtaining a duplicate plate may result in this report being nullified. Consequently, the plate number may be linked back to the dealer, even if it is not on a vehicle in the dealer’s inventory.

For any M-plates being reported, new plates should be:
