**General Information**

Indiana taxpayers are allowed a credit against their Indiana state adjusted gross income tax liability for contributions to eligible colleges and universities or to corporations and foundations organized and operated exclusively for the benefit of any eligible colleges or universities. The payment of tuitions, fees, or room and board are not charitable contributions and do not qualify for this credit.

Nonresident individuals with taxable income from Indiana sources who have contributed to eligible Indiana colleges or universities are allowed a credit against their Indiana state adjusted gross income tax liability on Form IT-40PNR.

An individual or fiduciary is allowed a credit of fifty percent (50%) of the contribution or \$100 (on a single or fiduciary return) or \$200 (on a jointly filed return), whichever is less. The amount of a corporation's credit is equal to fifty percent (50%) of the total amount given during the tax year. However, the credit may not exceed the lesser of: a) ten percent (10%) of the corporation's adjusted gross income tax liability, or b) the amount of \$1,000.
