1997 Application for Automatic Extension
of Time to File Indiana Form IT-40 or Form IT-40PNR

Note: Form IT-9 is an automatic extension of time to file until June 15, 1998.
This IS NOT an extension of time to pay any state and/or county taxes due.

The purpose of Form IT-9: The IT-9 will allow you an automatic 60 day extension for filing your IT-40, Indiana Individual Income Tax Return, or the IT-40PNR, Indiana Part-Year Nonresident Individual Income Tax Return.

The IT-9 does not extend the time for paying your income tax. The filing extension is automatic if you pay at least 90% of your state and county taxes by April 15, 1998.

Indiana will accept the federal extension date, plus allow an additional 30 days. However, you must still pay 90% of your Indiana taxes by April 15, 1998. If you don't, the extension is not valid and penalty and interest will be charged on the balance due.

Who should file Form IT-9: You should file this form and pay your tax if you can't file your income tax return (IT-40 or IT-40PNR) by the due date of April 15, 1998 and you expect to owe additional tax. Form IT-9 does not allow you an extension of time to pay your taxes.

Penalty and Interest: Because the extension does not extend the due date for payment of taxes, a penalty may be assessed if you owe but did not pay at least 90% of the total tax due by April 15th.

How to File: You can complete the worksheet below to figure 90% of your estimated income. Complete all information regarding your name(s), address and social security number(s). You must also be aware of your (and your spouse's) county of principal residence and county of principal work activity as of January 1, 1997.
