

**Form IT-9**Revised 8/00
SF 21006**2000 Application for Automatic Extension
of Time to File Indiana Form IT-40 or Form IT-40PNR**Note: Form IT-9 is an automatic extension of time to file until June 15, 2001.
This IS NOT an extension of time to pay any state and/or county taxes due.

The purpose of Form IT-9: The IT-9 will allow you an automatic 60 day extension for filing your IT-40, Indiana Individual Income Tax Return, or the IT-40PNR, Indiana Part-Year Nonresident Individual Income Tax Return.

Who should file Form IT-9: You should file this form and pay your tax if you can't file your income tax return (IT-40 or IT-40PNR) by the April 16, 2001 due date and you expect to owe additional tax.

The IT-9 does not extend the time for paying your income tax. The filing extension is automatic if you pay at least 90% of your state and county taxes by April 16, 2001.

Penalty and Interest: Indiana will accept the federal extension date, plus allow an additional 30 days. However, you must still pay 90% of your Indiana taxes by April 16, 2001. If you don't, the extension is not valid and both penalty and interest will be charged on the balance due. **Note:** Interest is due on any amount not paid by the April 16, 2001 due date.

How to File: Complete the worksheet below to figure how much you will need to pay.

Note: If no amount is due on line 12, do not file Form IT-9. No extension is required.
