Instructions for Form GA-110LMP

Note: As of July 1, 2014, gasoline and gasohol are no longer subject to sales tax and should not be claimed on Form GA-110LMP for periods after June 30, 2014. Refund claims for gasoline use tax for periods beginning July 1, 2014, should be claimed on Form GA-110L.

Note: As of July 1, 2017, special fuel is no longer subject to sales tax and should not be claimed on Form GA-110LMP for periods after June 30, 2017.

Special fuels include diesel, liquid natural gas (LNG), and compressed natural gas (CNG).

Line 1. Total gallons purchased for exempt use - Enter the total number of whole gallons purchased for exempt use. You must submit receipts with your claim for refund.

Line 2. Total purchase price - Enter the total amount paid for the gallons purchased on Line 1.

Line 3. Combined state and federal rate - Combined state and federal rate from Departmental Notice #12.

Line 4. Total state and federal excise tax - Enter the amount of state and federal excise tax included in sales. Multiply Line 1 by the rate on Line 3. And enter the amount on Line 4.

Line 5. Taxable amount - Subtract the amount on Line 4 from the amount on Line 2 and enter the difference on Line 5.

Line 6. Total sales tax paid on fuel used for exempt purposes - Calculate the amount on Line 6 by multiplying Line 5 by 6.54% (.0654). This will be the amount being claimed as a refund.

Note: Taxpayer representatives must have a valid POA-1 (Power of Attorney Form) on file with the department. If you do not have a POA-1 form, you can get one online at <https://forms.in.gov/Download.aspx?id=7460>.
