Note: If you lived in Lake County during 2006 and paid property tax on your residence, file Form IT-40 to get both the residential property tax credit plus the Unified Tax Credit for the Elderly.

Who may use this form to claim the Unified Tax Credit for the Elderly?

You may be able to claim a credit if you and/or your spouse meet the following requirements:

- You and/or your spouse must have been age 65 or older by December 31, 2006;
- If married, you must file a joint return;
- You and/or your spouse must have been an Indiana resident for more than six months during 2006; and
- You and/or your spouse must not have been in prison more than 180 days during 2006.

If you meet **all** the above requirements, **and**

- You are single or widowed and your income on Line E is under \$2,500*; **or**
- You are married, and only one person is age 65 or older, and your income on Line E is less than \$3,500*; **or**
- You are married, both of you are age 65 or older, and your income on Line E is less than \$5,000*.

Complete Lines A through E on the front of this form. Then, compare the Line E amount to the amounts on the chart below based on your filing status and age. This will give you your refund amount.

*If your income is more than these amounts, you will need to file either Form IT-40 (if you are a full-year resident), or Form IT-40PNR (if you and/or your

spouse are part-year residents), and claim the credit on one of those forms.

Note: If a spouse dies before this return is filed, the surviving spouse can claim this credit by filing a joint return. A copy of the death certificate must be attached to the tax return to verify the date of death. However, if a taxpayer dies and does not have a surviving spouse, the estate **cannot** claim the credit on behalf of the deceased taxpayer.
