## Estimated Income Tax Payments

If you expect to have income that won't have Indiana taxes withheld for 1998, and the state and county tax due will be $\$ 400$ or more, then you should pay estimated income tax. Use the worksheet below to see how much you'll owe.

If you don't want to make your first installment estimated payment for 1998 on your IT-40 or IT-40PNR income tax return, you can use the return at the top of this page to make the payment. The due dates are shown on the return. We suggest that first time estimated income taxpayers make a copy of the blank return. This is in case the vouchers that are automatically issued (after we receive your first payment) don't get to you by the next payment's due date.
