Indiana Department Of Revenue 2005 Estimated Tax Payment Return

If you expect to have income during the 2005 tax year that:

- won't have Indiana income taxes withheld, or
- if you think the amount withheld won't be enough to pay your tax liability, and
- you expect to owe more than \$400 when you file your tax return,

then you should pay estimated tax. Use the worksheet below to see how much you'll owe.
