Additional Information

Some of the license types for which this application is being filed require a surety bond, cash bond, or letter of credit. To determine the required bond amount, check the license type(s) for which you are applying. This figure must be rounded up to the nearest thousand-dollar amount. All special fuel types may be included on one bond form. The bond should indicate each license type and the amounts being covered. A separate bond is required for the gasoline license types. Bond forms are available at www.in.gov/dor/tax-forms/fuel-tax-forms.

All bonds must be completed, signed, and notarized with a Power of Attorney attached before any license(s) can be issued.

Before submitting your license and bond information, be sure to:

- Complete all required sections of the license application.
- If applying for a Special Fuel Exporter license, include a copy of your fuel license/permit for each destination state.
- Include an executed surety bond, letter of credit, or cash bond equal to the amount required for each license type, if applicable.
- Include a current financial statement, beginning balance sheet, or year-end report.
- This application, required documentation, and the payment of any applicable license fee(s) may be either:
 1. Completed online via INTIME, DOR's e-services portal at intime.dor.in.gov.
OR
 2. By mailing this completed application, required documentation, and license payment fee(s) to the address listed on the front of the form.
