Instructions for Completing Form ST-200

The information requested on the ST-200 enables the Indiana Department of Revenue to the exempt status of metered utility or telecommunication services.

Complete a separate application for each meter and/or telephone account. Fill in all blanks. Any applications that are missing information or are incomplete will be rejected which will delay the processing of your application.

Section A: Mailing Address: You must apply using the legal name of the business entity. Please enclose a copy of the utility bill with the legal name to speed up the review of the application.

Section B: Meter Location Address: Provide the location address of the meter or communication service.

Section C: Billing Name: A complete copy of the utility billings with billing name, location, meter number and account number must be attached. If this information isn't available on the bill other documentation will need to be provided. For example, a screen shot of your online utility account or something from the utility company on their letterhead with the information needed. Annual utility usages must be documented. Attach either 12 months of billings or one month that has the annual usage documented, typically in a usage graph.

Section D: Fill in All Applicable Blanks: Please complete all Applicable information. Any missing information may cause a processing delay of your application. Qualified nonprofit organizations and government agencies need not fill in blanks marked with an asterisk (*).

Section E: Summary: Please explain how the utility is used.

Example: for telephone service used in rendering public transportation, the supporting schedule may read 35% dispatch, 5% sales, 5% marketing, etc. Usage must total 100%.

Note: Registered Nonprofit organizations and Governmental entities please proceed to Section H.

Please return the application to:
Indiana Department of Revenue
PO Box 935
Indianapolis, IN 46206-0935

Section F: Utility Usage Study: Production (eligible for predominate use exemption)

Businesses need to provide the following information detailing production and non-production equipment for the meter. (R&D skip to Section G)

1. List each piece of equipment connected to the meter (production and nonproduction equipment);
2. Explain how the equipment is used;
3. Provide the power rating of each piece of equipment;
4. List the hours the equipment is used;
5. Provide the total energy consumed for each piece of equipment for the previous calendar year.

Section G: Utility Usage Study: Research and Development ("R&D") (*not eligible for predominate use exemption*)

Businesses need to provide the following information detailing the R&D and non-R&D equipment usage for the meter.

1. List each piece of equipment connected to the meter (R&D and non-R&D);
2. Explain how the equipment is used;
3. Provide the power rating of each piece of equipment;
4. List the hours the equipment is used;
5. Provide the total energy consumed for each piece of equipment for the previous calendar year.

Section H. Certification/Signature: Sign and date the application, and if you are a representative, a Form POA-1 must be attached. The person who completed the utility study must sign and date the form.
