Place an X in the appropriate box for the repair/maintenance permit you are applying for:

- International Fuel Tax (IFTA) Repair/Maintenance Permit (\$40)
- International Registration Plan (IRP) Repair/Maintenance Permit (\$40)
- Both - IFTA and IRP (\$80)

This permit exempts the carrier from reporting any apportioned or temporary IRP fees per IC 6-6-4.1-13(d), instead a carrier may pay an annual IRP repair and maintenance fee.

Purchasing the International Registration Plan Repair/Maintenance permit exempts the owner of the repair and maintenance permit from reporting and paying Interstate registration fees while traveling in Indiana to have the vehicles, semi-trailers, or trailers repaired.

The cost for either the IFTA or IRP Repair/Maintenance permit is \$40. The cost for both permits is \$80.

This application for repair and maintenance permit applies to all vehicles, semi-trailers, or trailers operated by the named carrier. This application is not transferable to another carrier. IC 6-6-4.1-13 provides that a person may obtain a repair and maintenance permit to move an unregistered motor vehicle from a quarry or mine to a maintenance or repair facility.

Under penalty of perjury, I declare that I have examined this Repair/Maintenance Permit Application and to the best of my knowledge and belief it is true, correct, and complete. I further declare that I will distribute the repair and maintenance permit issued to me by the Indiana Department of Revenue only to the vehicles, semi-trailers, or trailers I am operating or causing to be operated.

Signature: _____ Date: _____ Title: _____
