

2005 IT-40EZ

Indiana Income Tax Return for Full-Year Indiana Residents with No Dependents *Forms and Instruction Booklet*

2005 Change

Since the IRS no longer offers the TeleFile option as a way to file your federal income tax return, Indiana can no longer offer that option. Use Form IT-40EZ to file your taxes with Indiana as long as you are:

- A full-year Indiana resident, and
- File the federal Form 1040EZ with the IRS.

See line-by-line instruction beginning on page 3.

Ready To File Your Return?

Electronic Processing

More than 1.9 million Indiana taxpayers had their 2004 Indiana individual income tax returns electronically processed. This includes both electronically filed returns as well as returns filed displaying 2-D barcodes.

Use the Electronic Filing Program

Over 1.3 million taxpayers used the Electronic Filing Program to file their 2004 state and federal individual income tax returns. This program provides Indiana taxpayers the opportunity to file their federal and state tax returns electronically *and receive their Indiana refunds in about half the time it takes to process paper*, and even less if you use **direct deposit**, which deposits your refund directly into your bank account. Even if there is an amount due on either return, Indiana taxpayers can still file electronically and feel comfortable knowing that the returns were received by the IRS and the Indiana Department of Revenue. Contact your tax preparer to see if they provide this service.

I-File

This free program allows you to prepare and file your state tax return over the Internet. For more information visit the Electronic Services site at

www.in.gov/dor/electronic

Please mail your completed return to:
Indiana Department of Revenue
P.O. Box 40
Indianapolis, IN 46206-0040

Where's Your Refund?

The automated information line allows you to check on the status of your refund. *Important:* You will need a copy of your completed tax return because you will need to know the first Social Security number shown on your return and the exact amount of your refund in whole dollars.

When you call (317) 233-4018 you will receive the latest information available on the status of your refund. This touch-tone phone service is available beginning at 8 a.m. Monday through 10 p.m. Saturday. *Please wait approximately 12 weeks from the date you filed your return before calling to check on the status of your refund.* If you have a rotary phone, you may call (317) 232-2240 from 8 a.m. to 4:30 p.m., Monday - Friday, and a Department representative will help you.

You may also check the status of your refund online at www.in.gov/dor/individual/maintenance.html

A refund directly deposited to your bank account may be listed on your bank statement as a credit, deposit, etc. If you have received information from the Department that your refund has been issued, and you are not sure if it has been deposited in your bank account, call the ACH Section of your bank or financial institution for clarification.

Note: A refund directly deposited to your Hoosier Works MasterCard Account will appear on your account monthly statement.

Moving?

If you move to a new address after you file your tax return and do not have a forwarding address on file with the post office, the Department needs to know where to send your refund check and a tax booklet for next year. You can tell us your new address by calling the Department at (317) 232-2240, visiting a district office near you, writing to us at: Indiana Department of Revenue, IGCN Room N105, 100 N. Senate Ave., Indpls, IN 46204, or change it over the Internet at

www.in.gov/dor/individual/maintenance.html

Public Hearing - June 12, 2006

In accordance with the Indiana Taxpayer Bill of Rights, the Department will conduct an annual public hearing on June 12, 2006. Please come and share your ideas on how the Department of Revenue can better administer Indiana tax laws. The hearing will be held at 9 a.m. in Conference Room 5 of the Conference Center, Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana. If you can't attend, please submit your concerns in writing to: Indiana Department of Revenue, Commissioner's Office, 100 North Senate Avenue, Indianapolis, Indiana 46204.

Using a Typewriter

If you wish to use a typewriter to complete this form, you must make entries in the appropriate areas on the form but may type over the individual boxes in that area. Please note the total number of boxes in each field as our processing system will recognize that many characters for each field.

Example 4 | | 2 | 1 | 7 | 2 | 0 | 0 | 0 |
| | 3 | 0 | 0 | 0 | 0 | 0 |

Attaching W-2s

Staple your W-2s, 1099s or WH-18s to the form in the space to the left of lines 1 through 18 on the front of form IT-40EZ. To help us process your form please make sure these attachments don't cover the county box information above line 1 or the boxes at the bottom of the form under line 18.

Please round off your amounts to the nearest dollar.

To do this, drop amounts of less than \$0.50.

- Example: \$432.49 rounds down to \$432.00.

Increase amounts of \$0.50 or more to the next higher dollar.

- Example: \$432.50 rounds up to \$433.00.

Foreign Addresses

The U.S. Post Office requires the full foreign country name to appear in all addresses. Standard two-character abbreviations for provinces and territories should be entered in the "State" area on the tax return.

Refund Check Address

Your refund check will be issued in the name(s), address and Social Security number(s) shown on the front of your tax return. Correct and legible information is important. Any wrong information will cause problems and delay your refund.

School District Number

Enter the four-digit school district number for where the primary taxpayer lived on January 1, 2005. Primary taxpayer is the first name listed at the top of the tax return.

It is important that you enter the correct school district number. This information is used for statistical tracking purposes in order to determine possible school funding needs and changes.

The list of school district numbers can be found on pages 10 and 11. Note: If the primary taxpayer did not live in Indiana on January 1, 2005, enter the code number "9999". If the school district is not entered, the processing of your return will be delayed.

County Information

Enter the two-digit code numbers for the county(s) where you and your spouse, if married, lived and worked on January 1, 2005. You can find these code numbers on the chart on page 6.

See the instructions on page 8 for more information, including the definitions of the county where you live and work.

Line-By-Line Instructions

Important: Complete Your Federal 1040EZ First.

Line 1

Enter your federal "adjusted gross income" from federal Form 1040EZ, line 4.

Line 2

Enter the amount from line 3 of the Indiana Deduction Worksheet from the back of Form IT-40EZ.

Line 3

Subtract any line 2 deduction(s) from the amount on line 1. If the answer is less than zero, leave the line blank.

Line 4

Exemptions: Enter \$1,000 if filing a single return and \$2,000 if filing a joint return. Note: You are always eligible to claim a full \$1,000 personal exemption on your Indiana IT-40EZ (even if your parents or someone else can also claim you on their return).

Line 7

Complete the County Tax Worksheet on page 5. Add the amounts on the worksheet from Section 1, line 4 and Section 2, line 6 and enter the total here.

Line 8 - Use Tax Due on Out-of-State Purchases

If, while a resident of Indiana, you made purchases outside Indiana by mail order, through radio or television advertising, over the Internet or directly from an out-of-state company, those purchases may be subject to Indiana sales and use tax if sales tax was not paid at the time of purchase. This tax, called "use" tax, is figured at 6 percent (.06).

When you make purchases from a company in Indiana, that company is responsible for collecting the Indiana sales tax from you. When you make purchases from an out-of-state company, YOU are responsible for making sure the use tax is paid. Either the out-of-state company collects the tax from you or you must pay the tax directly to the State of Indiana.

Complete the worksheet below to figure your tax. If you paid sales tax to the state where the item was originally purchased you are allowed a credit against your Indiana use tax for an amount up to 6 percent (.06).

Lines 10 and 11 - Indiana State and County Tax Withholding Amounts

Enter the amount(s) of Indiana state and/or county tax withheld, which is usually shown in boxes 17 and 19 of your W-2s. You must attach your W-2s to verify your claimed withholding.

Line 12 - Indiana's Earned Income Credit

Most Hoosiers who claim the earned income credit on their federal Form 1040EZ are now eligible to claim Indiana's earned income credit.

If you:

- Were a full-year Indiana resident during 2005,
- Had income from Indiana sources, and
- Claimed at least a \$9* earned income credit on your federal Form 1040EZ, then

you are eligible to claim Indiana's earned income credit.

Complete the worksheet on the back of Form IT-40EZ to figure your credit.

*This amount must be \$9 or more (a smaller federal earned income credit will result in an Indiana credit of less than \$1).

Important: If you received Indiana advance earned income credit payments from your employer, then you cannot file Form IT-40EZ; you must file Form IT-40 and report this amount on line 20 of that form.

Line 15 - Contribution To Indiana Nongame Wildlife Fund

The Indiana Wildlife Diversity Program offers you the opportunity to play an active role in conserving Indiana's nongame wildlife. The money you donate goes directly to the protection and management of more than 550 wildlife species in Indiana - from robins and turtles to state-endangered bald eagles and river otters. Enter the amount of your refund you wish to donate to the Nongame Wildlife Fund in the box on line 15. Donations must be a minimum of \$1.

Read more about Indiana's Wildlife Diversity Section and how donations have helped Indiana's endangered wildlife at the following Web site: www.in.gov/dnr/fishwild/endangered/fund.htm

If you are not receiving a refund, but want to support the Wildlife Diversity Program, do not change your tax return. You can send a donation directly to the Wildlife Diversity Program by completing the form on the back of this booklet.

Line 17 - Direct Deposit

If you want your refund directed into your bank account, complete lines 17a, b and c.

- a) The routing number is 9 (nine) digits, with the first two digits of the number beginning with 01 through 12 or 21 through 32. Do not use a deposit slip to verify the number because it may have internal codes as part of the actual routing number. The sample check on page 7 has the routing number identified.

- c) Check the appropriate box for the type of account you are making your deposit to: either a checking account or savings account.

Note: The routing and account numbers may appear in different places on your checks.

If you currently have a **Hoosier Works MasterCard** and wish to have your refund directly deposited in your account, enter your 12-digit account number on line 17b, where it says "Account Number" (do not write anything on line 17a "Routing Number").

You can find your 12-digit account number in the upper right-hand corner of your account monthly statement.

Note: DO NOT use your MasterCard 16 digit number.

Make sure to check the "Hoosier Works MC" box on line 17c.

Line 18 - Amount You Owe - Payment Options

There are several ways you can pay the amount you owe.

If sending a check, money order or cashiers check, make it payable to: Indiana Department of Revenue. Paperclip the payment to the bottom of the front of the return. If you don't have a paperclip, just include it loose in the envelope. **Do not** staple it to the return. **Do not** send cash.

Note: All payments made to the Indiana Department of Revenue must be made with U.S. funds.

You may pay the Amount You Owe on line 18 with a major credit card over the Internet or by phone. Log on to the Web site at www.in.gov/dor/epay, or call 1-888-829-3746 toll free, and use your American Express, Discover, MasterCard, or Visa. A convenience fee will be charged by the credit card processor based on the amount you are paying. You will be told what the fee is and you will have the option to either cancel or continue the credit card transaction.

You may also pay by the **eCheck** payment method, which uses a paperless check. This service may be used to pay the tax due with your Indiana individual income tax return, as well as any billings issued by the Indiana Department of Revenue for any tax type. Go to our Web site at www.in.gov/dor/epay, and follow the step-by-step instructions to make your payment. You will receive a confirmation number and should keep this with your tax filing records. The fee for using this service is \$1.

Note: No payment is due if you owe less than \$1.

Note: You may owe penalty and interest if you file past the April 17, 2006, due date. Also, if you owe more than \$400, a penalty for the underpayment of estimated tax may be due. We will bill you if any of these penalties or interest are due. You also have the option to file the Form IT-40 and pay any penalties and interest due with that filing. See the "Need Tax Forms ...?" section on page 1 for options on how to get this form.

Unemployment Compensation Worksheet

Note: If you were married but filing separately, and you lived with your spouse at any time during 2005, enter -0- on line 3 of the worksheet. However, if you were married but filing separately, and lived apart from your spouse the entire year, enter \$12,000 on line 3.

You'll need your federal Form 1040EZ to complete lines 1 and 2 below.

1. Enter the unemployment compensation from your federal Form 1040EZ, line 3	1		
2. Enter the "adjusted gross income" from your federal Form 1040EZ, line 4	2		
3. Enter \$12,000 if single, or \$18,000 if married filing a joint return	3		
4. Subtract line 3 from line 2. If zero or less, enter -0-	4		
5. Enter one-half (1/2) of the amount on line 4	5		
6. Taxable unemployment compensation for Indiana purposes: enter the amount from either line 1 or line 5, whichever is smaller	6		
7. Subtract line 6 from line 1. Carry this amount to the back of Form IT-40EZ. Enter it on line 2 of the Indiana Deduction Worksheet	7		

Indiana Deduction Worksheet Instructions

Located on Back of Form IT-40EZ

Line 1 - Renter's Deduction

You may be able to take the renter's deduction if:

- a) you paid rent on your principal place of residence, **and**
- b) the place you rented was subject to Indiana property tax.

Your "principal place of residence" is the place where you have your true, fixed, permanent home and where you intend to return after being absent.

- If you rented a mobile home or paid rent on a lot for your mobile home, you may claim the renter's deduction if the above requirements are met.
- Rent paid for summer or vacation homes is *not* deductible.

You cannot claim the renter's deduction if the rental property was exempt from Indiana property tax. Examples of this type of property are:

- a) Government owned housing,
- b) Property owned by a nonprofit organization;
- c) Student housing;
- d) Property owned by a cooperative association; or
- e) Property located outside of Indiana.

The renter's deduction is the actual amount of rent paid or \$2,500, whichever is *less*. You must complete all the information on the worksheet. If you moved during the year or had more than one landlord, you must list the same information for each place that you rented. Attach additional sheets if necessary.

Important: You must maintain copies of your rental receipts, landlord identifying information, and lease agreements as the Department can require you to provide this information.

Line 2 - Nontaxable Portion of Unemployment Compensation

If you received unemployment compensation during 2005, Indiana may tax a different amount than what you reported on your federal Form 1040EZ, line 3. Complete the worksheet on page 7 to determine the amount of your deduction.

County Tax Worksheet Instructions

If, on January 1, 2005, you and/or your spouse lived or worked in an Indiana county that had a county tax, then you must complete this worksheet. The counties that have a tax are listed on page 6 with their tax rates. *Note: If the county on the chart has the initials "NA" in the rate columns, that means it doesn't have a county tax.* Its name is listed there so you can find the two-digit code number for your county for the top of the IT-40EZ. Also, code number "00" is to be used by Indiana residents who worked out-of-state unless they live in the states listed in a box at the bottom of the chart on page 6.

County of Residence

Your county of residence is the county where you maintained your home on January 1, 2005. If you had more than one home in Indiana on this date, then your county of residence as of January 1, 2005 was:

- a) Where you were registered to vote. If this did not apply, then your county of residence was:
- b) Where your personal automobile was registered. If this did not apply, then your county of residence was:
- c) Where you spent the majority of your time in Indiana during 2005.

If you moved to another Indiana county after January 1, 2005, your county of residence for tax purposes will not change until next year.

- If, on January 1, 2005, you lived in a county that has a tax, then you will owe county tax on all of your Indiana adjusted gross income.
- If, on January 1, 2005, you lived in a county that has no tax, then county tax will be figured on your income from your principal employment if the county where you worked on January 1, 2005, has a tax.

Special Note to Married Taxpayers Filing a Joint Return

- If you lived in different counties on January 1, 2005, both of you need to figure your county tax separately on Section 1.
- If both of you lived in a county on January 1, 2005, that had no tax but worked in a county that did have a tax, you must figure your tax separately on Section 2.

Section 1 Instructions

Line 1

- If you are filing a single return, enter on line 1A the amount from Form IT-40EZ, line 5.
- If you are filing a joint return and you *both* lived in the same county that has a tax on January 1, 2005, enter on line 1A the amount from Form IT-40EZ, line 5. Leave Column B blank.
- If you are filing a joint return and you lived in different counties on January 1, 2005, then enter your share of the income on line 5 of the IT-40EZ. See how to do this in Example 1 below.

Example 1: On January 1, 2005, Jim and Rita lived in different counties. Their share of the income on line 5 of their IT-40EZ is figured in the following way:

		IT-40EZ	
Breakdown	Jim's	Rita's	Line 5 Total
wages	\$ 23,000	\$ 21,000	\$ 44,000
interest	+ 40	+ 40	+ 80
renter's deduction	- 750	- 750	- 1,500
exemption	- <u>1,000</u>	- <u>1,000</u>	- <u>2,000</u>
totals	\$ 21,290	\$ 19,290	\$ 40,580*

Jim will enter \$21,290 on line 1A and Rita will enter \$19,290 on line 1B. (* This is their IT-40EZ line 5 amount.)

County Where You Worked

Your county of principal employment is the county where your main place of business was located or where your main work activity was performed on January 1, 2005. If you began working in another county after January 1, 2005, the county where you worked for tax purposes *will not change until next year*. If you had more than one job on January 1, 2005, your principal place of employment is the job where you worked the most hours and earned the most income.

Example 2 - Jessie worked in Marion County on January 1, 2005. She quit that job and began a new one in Johnson County on February 10, 2005. She will enter the Marion County two-digit code (49) as the county where she worked for 2005 even though she changed jobs during the year.

Principal Employment Income

You must figure your principal employment income if, on January 1, 2005, you *lived* in a county that *didn't* have a tax but *worked* in a county that *did* have a tax. You will be filling out Section 2 instead of Section 1. Your principal employment income is income you earned from your main work activity (job) for the entire year.

Example 3 - Jessie earned \$1,000 at her Marion County job from January 1 through February 2, 2005. She earned \$14,000 at her Johnson County job she began on February 10 and worked through year's end. Her principal employment income for the year subject to Marion county tax is \$15,000.

Example 4 - Steve earned \$15,000 from his full-time job. He also earned \$2,000 from a part-time job. If you work a part-time job and a full-time job at the same time, only the income earned from the job where you *worked the most hours and made the most income* will be principal employment income subject to tax. Steve's principal employment income that is subject to county tax is \$15,000.

Additional Information

Deceased Individual Information

If the taxpayer and/or spouse died during 2005, and this return is being filed with his/her name on it, make sure to enter the month and day of death in the appropriate box located on the back of the IT-40EZ. For example, a date of death of January 9, 2005, would be entered as 01/09.

Note: If the taxpayer and/or spouse died before or after 2005, do not enter his/her date of death in this box.

Authorization Section

If someone other than you completed this tax return, you can give the Department permission to discuss your tax return with that person. Place a checkmark in the appropriate box on the back of the tax return. Also, you must enter that person's identification number in the boxes provided at the end of this section. Enter the person's Social Security number, federal identification number or preparer's tax identification number (PTIN) if completed by a professional preparer. If someone other than you completed this return, and you do not want the Department to discuss your return with that person, check the "No" box.

Signature Section

If this is a joint return, both you and your spouse must sign and date the tax return. Also, give us your daytime telephone number so we can call you if we have any questions about your tax return.

If a paid preparer completed this tax return for you, he/she must complete the paid preparer's signature section. The paid preparer must provide the name and address of the firm that he/she represents. Also, the preparer must sign and date the back of the tax return and provide his/her identification number (in the area below your signature). We also ask for the daytime telephone number of the preparer if you authorize us to discuss your tax return with the preparer.

Signing the decedent's tax return

If a joint return is filed by the surviving spouse, the surviving spouse should sign his/her name and after the signature write: "Taxpayer and Surviving Spouse".

If filing a return for a deceased individual, an executor or administrator appointed for the deceased's estate must file and sign the return (even if this isn't the final return), indicating their relationship after their signature (e.g. administrator).

If an executor or administrator has not been appointed, the person filing the return should sign and give their relationship to the deceased (e.g. "John Doe, nephew").

Unresolved Problems?

Use the Taxpayer Advocate

As prescribed by the Taxpayer Bill of Rights, the Department has an appointed Taxpayer Advocate whose purpose is to facilitate the resolution of taxpayer complaints and problems. If you have a complex tax problem you have not been able to resolve through normal channels, or a tax assessment places an undue hardship on you, you may receive assistance from the Office of the Taxpayer Advocate. Submit supporting information and documents to: Indiana Department of Revenue, Office of the Taxpayer Advocate, P.O. Box 6155, Indianapolis, IN 46206-6155.

Please mail your completed return to:
Indiana Department of Revenue
P.O. Box 40
Indianapolis, IN 46206-0040

Remember your Sales and Use Tax Obligations. See instructions on page 4.

Contributions to the Indiana Nongame Wildlife Fund

Donations to the Nongame Wildlife Fund assist the Indiana Department of Natural Resources to manage and protect over 550 nongame and endangered wildlife species. Your contributions to the Fund have brought ospreys and bald eagles back to our skies and river otters to our waters.

These reintroduction programs as well as many other restoration, management, and educational projects implemented by the Wildlife Diversity Program rely on donations from individuals like yourself. The Program is funded almost exclusively by donations to the Indiana State income tax check-off and direct donations.

If you would like to make a donation to the Fund, you may donate all or a portion of your tax refund on Line 15 of the IT-40EZ. To make a direct donation, you can also complete the form below and mail it with a check or money order made payable to the Fund to: Nongame Wildlife Fund, Division of Fish and Wildlife, W-273, 402 West Washington St., Indianapolis, IN 46204.

You can learn more about Indiana's Nongame Wildlife Program at

I (We) wish to donate \$ to the Indiana Nongame Wildlife Fund.
