Instructions for Completing Consolidated Gasoline Monthly Tax Return (MF-360)

Who should file this return?

A gasoline tax is imposed on every gallon of gasoline received in Indiana less those deductions provided by law. Each person who holds a valid Indiana Gasoline Distributor's License must file Form MF-360, Consolidated Gasoline Monthly Tax Return and schedules with the Indiana Department of Revenue. Distributors are required to indicate on such returns all gasoline received as well as support all deductions claimed, during the month for which the return is filed. A return must be filed each month, even if the distributor has no activity to report on the return. You may file your return via DOR's e-services portal, INTIME, at intime.dor.in.gov.

When is the return/payment due?

Form MF-360 and schedules must be filed on or before the twentieth (20th) day of the month immediately following the month for which the report is being filed. If the 20th day of the month falls on a Saturday, Sunday or a state or national legal holiday, the due date of the return is the next succeeding day that is not a Saturday, Sunday or such holiday. To be considered timely filed by the department, the return must be postmarked no later than the due date of the return. You can make a payment via DOR's e-services portal, INTIME, at intime.dor.in.gov.
