

If there will be a change in the licensee (applicant entity), a change of ownership application should be requested from The Division of Long Term Care.

NOTE: Any person, in order to lawfully operate a health facility, as defined in IC 16-18-2-167, shall first obtain an authorization to occupy the facility or a license from the Director. The applicant shall notify the Director, in writing, before the applicant begins to operate a facility that is being purchased or leased from another licensee. Failure to notify the Director precludes the issuance of a full license.

INSTRUCTIONS: If the current license is to be renewed (same licensee/applicant entity) <u>complete</u> and return this form within ten (10) days, along with the correct licensure fee, made payable to the Indiana State Department of Health. Payment shall be made in the form of a check or money order (*do not send currency in the mail*).
