

**DIVISION OF RECLAMATION  
INDIANA DEPARTMENT OF NATURAL RESOURCES**

**REPORT OF AFFECTED AREA**  
**(Please Type or Print)**

Permit Year: \_\_\_\_\_ TO \_\_\_\_\_

Permit No.: \_\_\_\_\_, \_\_\_\_\_,  
(Print Name of Operator)

having received a permit to engage in surface mining, hereby submits the following maps in compliance with the Indiana Code 14-36-1:

The attached map is a true plat and correct description of the land surface mined under the above permit.

The attached map has been drawn by a registered surveyor to a scale of \_\_\_\_\_ feet to an inch and includes \_\_\_\_\_ acres affected by the mining operation during the permit year. The individual pits covered under the above permit are listed below by name with their respective locations and acreages.

| <u>PIT NAME OR<br/>NUMBER</u> | <u>AFFECTED<br/>ACREAGE</u> | <u>SECTION</u> | <u>TWP</u> | <u>RANGE</u> | <u>COUNTY</u> |
|-------------------------------|-----------------------------|----------------|------------|--------------|---------------|
| _____                         | _____                       | _____          | _____      | _____        | _____         |
| _____                         | _____                       | _____          | _____      | _____        | _____         |
| _____                         | _____                       | _____          | _____      | _____        | _____         |
| _____                         | _____                       | _____          | _____      | _____        | _____         |
| _____                         | _____                       | _____          | _____      | _____        | _____         |

Pit entrance roads advanced \_\_\_\_\_ feet. Pit entrance roads graded \_\_\_\_\_ feet.
