Sec. 19. Terms and Conditions for Liability Insurance.

(a) The Department shall require the applicant to submit at the time of permit application a certificate certifying that the applicant has a public liability insurance policy in force for the surface coal mining and reclamation operation for which the permit is sought. The certificate shall provide for personal injury and property damage protection in an amount adequate to compensate all persons injured or property damaged as a result of surface coal mining and reclamation operations, including use of explosives and damage to water wells, and entitled to compensation under the applicable provisions of Indiana state law. Minimum insurance coverage for bodily injury shall be \$300,000 for each occurrence and \$500,000 aggregate; and minimum insurance coverage for property damage shall be \$250,000 for each occurrence and \$500,000 aggregate.

(c) The policy shall include a rider requiring that the insurer notify the Department whenever substantive changes are made in the policy, including any termination or failure to renew.
