

UNIFORMED SERVICES VOTER REGISTRATION CERTIFICATE

(ABS-11)

State Form 51261 (R4 / 2-22)
INDIANA ELECTION DIVISION (IC 3-7-36-14)

INSTRUCTIONS: An absent uniformed services voter may register after registration closes and after seven (7) days before election day if the voter meets the qualifications and provides the documents set forth in IC 3-7-36-14 (ABS-13). The voter may then vote in this election by absentee ballot in the office of the circuit court clerk. The circuit court clerk then issues this certificate certifying that the voter registered under this procedure and attaches this certificate to the voter's absentee ballot envelope. If the voter casts their absentee ballot, the county clerk shall enter the information promptly into SVRS. For counties using electronic poll books, the county must confirm the voter has not voted in the precinct on Election Day before processing the absentee ballot at the central count location. For counties using paper poll lists, if the certificate and absentee ballot is completed by noon, then the absentee courier(s) shall deliver a copy of the certificate to the precinct to confirm the voter has not voted in person at the precinct. For counties using paper poll lists, if the certificate is delivered between noon and 6:00 pm, then the information will be processed in the poll list and the absentee ballot will be counted after the materials are delivered to the county election board once the polls close on Election Day. The ballot envelope with attached certificate shall be forwarded to the central count location for storage until it can be properly processed after determining whether the voter has voted at their precinct on Election Day.
