I understand this form serves as my ten (10) day written notice of the actions being proposed/refused and have been given an explanation of why the action is being proposed/refused. I have received a copy of parent's rights and complaint procedures (under section 470 IAC 3.1-14-1) for the First Steps early intervention system and had these rights explained verbally by my Service Coordinator. This notice was written in language understandable to me and in my native language, or translated orally or by other means to my native language. I participated in the IFSP review process and agree with the revisions reflected in this section. I understand that changes in service that results in an addition or increase of service required the consent of my child's physician. Once signed by my child's physician, I give informed, written consent to implement the services described in this document confirmed by my signature on this form. A copy of this completed modification page will be distributed to members of my IFSP team once all signature have been obtained. I understand that I may refuse any proposed service(s)/action(s) and my Service Coordinator will document my refusal.

I am responsible to meet all First Steps financial obligations and I am aware that if payments are sixty (60) days or greater past due, copayment eligible services will be suspended until payment is received to bring my First Steps account current. If I would like further consideration of my income, I may provide documentation of income or family medical expenditures to my Service Coordinator, who will review the income and deductions within thirty (30) days of my request. If income verification is not provided, I will be billed the maximum allowable monthly copayment fee.

☐ I consent to First Steps accessing my insurance.

☐ I am NOT providing consent to access my insurance. I understand that First Steps will not retroactively bill my insurance at a later date.

☐ Not applicable due to lack of insurance.
