

STATEMENT FOR DEDUCTION FROM ASSESSED VALUATION BUILDING CONSTRUCTED OF COAL COMBUSTION PRODUCTS

FORM RE-CCP

State Form 52500 (R3 / 7-08)

Prescribed by the Department of Local Government Finance

FILING DATE: Must file the statement during the twelve (12) months before June 11 of the assessment year. (IC 6-1.1-12-35.5) INSTRUCTIONS:

- 1. This form is to be filed in duplicate with the auditor of the county in which the property is located. (IC 6-1.1-12-34.5)
- 2. The deduction is for buildings that are constructed from at least 60% dry weight in recycled coal combustion products. A component is considered "recycled" if at least 15% (by weight) of the component is made from coal combustion products such as boiler slag, bottom ash, fly ash and scrubber sludge. (IC 6-1.1-44)
- 3. Direct written request for Proof of Certification along with drawings illustrating improvements complete with dimensions, height and thickness of walls and materials in addition to documents to verify work done, i.e., statements and bills from contractors builders and suppliers, to: Purdue University Office of Center for Coal Technology Research, 500 Central Drive, West Lafayette, Indiana 47907-2022.
- 4. Attach a copy of the Certification of Qualifying Building obtained from the Center for Coal Technology Research. If unavailable, attach copy of request including supporting documents.
