

## COUNTY OPTION DOG TAX

State Form 52694 (R / 1-15)

Prescribed by the Department of Local Government Finance

### INSTRUCTIONS (See also Indiana Code 6-9-39):

- Who Must File:** Any person who harbors or keeps a taxable dog in or near a person's premises regardless of who owns the dog. A person who harbors or keeps a taxable dog is liable for the tax.
- What is a "Taxable" Dog:** Any dog six (6) months of age or older. The maximum tax is \$5.00 per dog; however, the fiscal body of a county may adopt a lesser amount. List each taxable dog separately unless applying for a kennel license. A Kennel License is available for persons breeding, boarding, training or selling dogs. See below for fees.
- Where the Taxes Go:** A seventy-five cent fee may be retained by the designated tax collector. The remainder is divided with 20% for canine research and education at Purdue University and 80% may be used by the county for the support of animal care facilities; animal control, including dead animal disposal; reimbursement to farmers for livestock kills; and reimbursement to people who have undergone treatment for post exposure rabies.

List the dogs six (6) months of age and older, that you own, harbor or keep.
