

CORRECTIVE ACTION PLAN

State Form 53171 (R2 / 8-11)
DEPARTMENT OF CHILD SERVICES

Due to a determination of non-compliance with licensing statutes, rules, and/or DCS policies, this Corrective Action Plan (CAP) is entered into between _____ (licensing agency) and

_____ (licensee), resource identification number _____.

The purpose of this CAP is to support the licensee in the development and utilization of more appropriate methods of meeting the needs of children under DCS care and supervision. This plan is implemented in conjunction ☐ with ☐ without (*please check one*) probation of the license and is effective from _____ to _____ unless terminated earlier due to substantial compliance.

The licensing agency has determined there is non-compliance with the following Indiana statutes, rules or DCS Policies:

The circumstances that created the non-compliance of these statutes / rules / policies are as follows:

In an effort to assist the licensee in meeting the above licensing requirements, the licensing agency agrees to do the following:

The licensee agrees to do the following:

The following actions may be taken by the licensing agency if the terms of this plan are not met:

1. An extension of the plan effective dates
2. A probationary status if the current plan is without probation
3. A recommendation for revocation of the license

Licensee	Licensing Specialist / Residential Licensing Manager
Licensee	Local DCS Office / LCPA Director or Designee
