As a recreational boater supportive of the Indiana Clean Marina Program, I pledge to be a steward of Indiana's waters. I will read the [Clean Boater Tip Sheets](#) and use the recommended best management practices to protect our aquatic resources. I will further ensure all passengers aboard my watercraft follow these best management practices, and I will encourage other boaters to be stewards of Indiana's waters as well.

Specifically, as an Indiana Clean Boater, I pledge to do my part to:

- Keep our waters free of litter by recycling or properly disposing of trash;
- Prevent spills of fuel and engine fluids by adopting proper watercraft fueling and maintenance practices;
- Stop the spread of aquatic invasive species by using Clean, Drain, Dry;
- Prevent discharges of sewage by using restrooms, pump outs, and dump stations;
- Protect sensitive shallow water habitats by obeying no-wake zones;
- Minimize other adverse impacts to the environment, including cleaning and winterizing my watercraft in an environmentally sensitive manner;
