

Indiana Department of Environmental Management AR/BI/Collections

100 North Senate Avenue MC 50-10C Indianapolis, Indiana 46204-2251 Telephone (800) 988-7901 http://www.in.gov/idem/recycle/2373.htm Indiana E-Cycle email: E-Cycle@idem.IN.gov

This registration is an annual requirement of the Indiana Electronic Waste (E-Waste) Law (IC 13-20.5) for any manufacturer that sells or offers for sale video display devices (VDDs) to Indiana households. The law holds manufacturers of VDDs responsible for collecting and recycling, or arranging for the collection and recycling of, 60% by weight of the VDDs they manufacture and sell to Indiana households. Only e-waste collected from covered entities (households, small businesses, and public schools) in Indiana, by an Indiana E-Cycle registered collector and recycled by an Indiana E-Cycle registered recycler can be counted toward a manufacturer's recycling obligation.

Manufacturer program years are from January 1 – December 31. This registration form is due January 1. A registration fee of \$5000 for the initial year of registration for which the fee applies and \$2500 each year thereafter is due with the annual registration.

Please submit this registration to IDEM's Accounts Receivables/Billings/Collections Office at the above address. If you have any questions, please contact IDEM's Office of Pollution Prevention and Technical Assistance at (800) 988-7901 or E-Cycle @idem.IN.gov.

	SECTION E: DISCLOSURE OF STATUS WITH RoHS DIRECTIVE					
Che	VDDs sold by this manufacturer to households comply with RoHS Directive 2002/95/EC, and any amendments thereto, of the European Parliam and Council restricting the use of certain hazardous substances in electrical and electronic equipment, and do not exceed the maximum concer values established for lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (pbbs), and polybrominated diphenyl ethers (p VDDs sold by this manufacturer to households comply with RoHS Directive 2002/95/EC as stated above, with the following approved and publis exemptions from the European Commission:	ntration bdes).				
	VDDs sold by this manufacturer to households are not in compliance with RoHS Directive 2002/95/EC as stated above.					
	SECTION F: NATIONAL SALES DATA					
An estimate of the total weight (in pounds) of VDDs sold to Indiana households during the most recent calendar year (or the most recent 12 months that precede the date of registration and for which data is available) is required. You may choose to report the total weight based on actual sales (direct sales to Indiana households) or to report the total weight based on national sales adjusted for Indiana's population.						
You can access Indiana's percentage of the national population based on the most recent population estimates at the U.S. Census Bureau's website: http://quickfacts.census.gov/qfd/states/18000.html .						
Time	ne period for which sales are being reported:

Nam	me of Recycler 2					
	entives:					
 Manufacturers receive a 50% incentive (each pound counts as 1.5 pounds) for covered electronic devices (CEDs) collected from non-metropolitan counties in Indiana. 						
• Manufacturers receive a 10% incentive (each pound counts as 1.1 pounds) for CEDs recycled at a recycling facility located in Indiana. These incentives can be combined; manufacturers receive a 60% incentive (each pound counts as 1.6 pounds) for CEDs collected in non-metropolitan counties in Indiana and recycled at a recycling facility located in Indiana. See http://www.in.gov/idem/recycle/2380.htm for a list of the metropolitan and non-metropolitan counties in Indiana.						

SECTION G: MANUFACTURER RECYCLING PLAN (CONTINUED)

Under the Indiana E-Waste Law, manufacturers are responsible for collecting and recycling, or arranging for the collection and recycling of, 60% by weight of the VDDs they sold to Indiana households as reported on the registration form. Only CEDs collected from Indiana households, small businesses, and public schools can count toward a manufacturer's recycling obligation.

The term CED includes the following items:

- VDDs (televisions or computer monitors, including laptops, netbooks, notebooks, tablets, and e-readers, that contain a cathode ray tube or flat panel screen with a screen size that is greater than four inches measured diagonally)
- Computers (i.e., computer towers)
- Fax machines
- Peripherals including keyboards, external hard drives, printers, mice, and any other device that is sold exclusively for external use with a computer and provides input into or output from a computer
 - An all-in-one printer/copier/scanner or a projector can be considered a peripheral provided that item is designed to be used exclusively with a computer.
- DVD players (including gaming systems that are able to play DVDs)
- Video cassette recorders
- · Digital photo frames
- · Digital media players
- iPods/MP3 players
- Camcorders/Cameras
- DVR/TiVo devices (including cable boxes and satellite boxes but not satellite dishes)
- · Portable GPS navigation systems

The term CED does not include cell phones, white goods, typewriters, calculators, or stereo equipment. It also does not include any electronics accepted from entities other than Indiana households, small businesses, and public schools.

Manufacturers can only utilize collectors and recyclers registered with Indiana E-Cycle to meet their recycling obligation, regardless of where the collectors and recyclers are located. Any pounds of CEDs collected by a collector not registered with the program and/or recycled by a recycler not registered with the program cannot be counted toward a manufacturer's recycling obligation. For a list of registered participants, please visit http://www.in.gov/idem/recycle/2373.htm. Please note that recycling does not include reuse, repair, or refurbishment; destruction by incineration; or land disposal of recyclable materials.

A manufacturer shall conduct and document due diligence assessments of collectors and recyclers with which the manufacturer contracts to meet their recycling obligation. A manufacturer shall maintain three years of documentation showing that all CEDs recycled, partially recycled, or sent to downstream recycling operations by the manufacturer are recycled in compliance with IC 13-20.5.

Please note:

Manufacturers that fail to meet their recycling obligation will be subject to a variable recycling fee (VRF). IDEM will calculate a manufacturer's VRF using the formula provided in IC 13-20.5-2-1(d).

By submitting this document, I hereby certify that the manufacturer listed on this form has complied and will continue to comply with the requirements of the Indiana E-Waste Law (IC 13-20.5). Name (typed or printed) Title (typed or printed) Date signed (month, day, year)

Please submit the completed and signed Indiana E-Cycle manufacturer registration by January 1 via email: E-Cycle @idem.IN.gov -OR- mail to:

Indiana Department of Environmental Management AR/BI/Collections
100 North Senate Avenue
MC 50-10C
Indianapolis, Indiana 46204-2251

*Please note that IDEM is unable to accept payments electronically at this time, so while the registration form may be emailed, the registration fee must still be mailed to the address listed above.
