### SECTION E – NOTICE OF CONSEQUENCES, ALTERNATIVES, RIGHTS AND RESPONSIBILITIES

By signing this affidavit, I acknowledge that I have read and understand all of the following:

- A man should NOT sign this form if he is not sure he is the biological father.** I may seek a genetic test before signing this form. Signing a Paternity Affidavit is voluntary. I may not be able to reverse paternity and the legal responsibilities of support associated with it once I sign a Paternity Affidavit.
- I may sign a Paternity Affidavit at the local Health Department at any time before the child's emancipation, as long as there is no father listed on the birth certificate.
- A woman who knowingly or intentionally falsely names a man as the child's biological father commits a Class A misdemeanor.
- I received both written and verbal information about the legal effects of signing a Paternity Affidavit.
- Since this form has legal consequences, I may want to consult an attorney before signing.
- This affidavit is void if signed after the mother has executed a consent to adoption and a petition to adopt has been filed.
- If I am the presumed father and do not establish paternity now, but want the right to notice and a hearing regarding any adoption of the child, I must register with the Indiana Putative Father Registry through the Indiana Department of Health.
- If the mother is receiving or plans to receive public assistance (TANF or Medicaid), she may be required to cooperate in establishing paternity and obtaining a support order or face losing those benefits.
- If I do not sign a Paternity Affidavit and am unsure about the paternity of the child, I may contact the Prosecuting Attorney's office in my county for help establishing paternity. They will help arrange tests to establish paternity.
- The custodial party may contact the Prosecuting Attorney's Office in their county for the child support services below through the IV-D program.
  - Establishing paternity
  - Getting a court order for the payment of child support and medical support
  - Finding the absent parent
  - Enforcing child support and medical support orders
- The completion of this legal document establishes paternity with no further court action required and gives the mother or the IV-D agency the right to obtain a child support order requiring the father to pay support.
- The father will have parenting time as outlined by the Indiana Parenting Time Guidelines, unless a court rules differently. See [www.in.gov/judiciary/rules/parenting](http://www.in.gov/judiciary/rules/parenting).
- A man has the right to withdraw/rescind his acknowledgment of paternity only within sixty (60) days of the date the Paternity Affidavit is completed. To do so he must file an action in a court with jurisdiction over paternity and may need to submit to and pay for genetic testing per IC 16-37-2-2.1(k-l). After sixty (60) days the father may not be able to reverse paternity, even if genetic tests prove he is not the biological father.

### SECTION F – ESTABLISHMENT OF JOINT LEGAL CUSTODY

If both mother and father agree, they may complete this section of the Paternity Affidavit to elect to share joint legal custody of the child named in Section D. Joint legal custody means both mother and father share authority and responsibility for the major decisions concerning the child's upbringing, including the child's education, health care and religious training. Also mother and father have equal access to the child's school and medical records. *(Both signatures are required to share joint legal custody.)*

- If you agree to share joint legal custody, you **MUST** submit the results of a genetic test, performed by an accredited laboratory no later than sixty (60) days after the child's birth, that indicate the father listed in Section B is the biological father of the child. Otherwise, your agreement to share joint legal custody will be void. However, the establishment of paternity IS still VALID. Initials of Mother: \_\_\_\_\_ Initials of Father: \_\_\_\_\_
