

**AFFIDAVIT OF COUNTY VOTER REGISTRATION OFFICER  
CONCERNING VOTER LIST MAINTENANCE**

**(VRG-21)**

State Form 47858 (R10 / 8-23)  
Indiana Election Division (IC 3-7-12-27)

**INSTRUCTIONS:** This form must be completed by the county voter registration officer (in a county with no board of registration, the circuit court clerk; in a county with a board of registration, the two board members; in Lake County or Porter County, the election director of the board of elections and registration; in Tippecanoe County, the board of elections and registration).

The form must be filed with the **election division not later than noon seventy-seven (77) days before each primary or general election in even-numbered general election years; or not later than noon seventeen (17) days before each primary or municipal election in odd-numbered municipal election years**, and after the voter list maintenance programs required by state law, are completed. In general election years, these programs must be completed not later than ninety (90) days before each election; in municipal election years, these programs must be completed not later than twenty-nine (29) days before each election.

NOTE: This affidavit does not mean the county ends ongoing list maintenance work as required by law. Instead, it affirms that counties have moved voters to "inactive" status, when applicable, on or before the "freeze" period noted above; continue to update and cancel registrations as permitted under law; and completed specific VLM projects such as the statewide voter list maintenance mailer or the US District Court Data Project.
