The following provides guidance about when the VRG 4/12 form should be used. Questions on when and how to use this form should be directed to the County Election Board at _____

1. This form is used only for a voter who fits one of the following categories:
 - a) was a registered voter of Indiana who changed the voter's residence from one (1) precinct to another within Indiana less than thirty (30) days before the primary/general/special election and has returned to the voter's precinct of former residence to vote, or requested an absentee ballot for the precinct of former residence;
 - b) was a registered voter of Indiana who changed the voter's residence from one (1) precinct to another within the same county and within the same congressional district before the primary/general/special election and did not update the voter registration record and has returned to the voter's precinct of former residence to vote, or requested an absentee ballot for the precinct of former residence;
 - c) in a county using an electronic poll book, is a registered voter of Indiana who moved within the same precinct;
 - d) in a county using an electronic poll book, is a registered voter of Indiana who desires to update the voter's name;
 - e) is a voter whom the county voter registration records show formerly resided in a precinct and no longer resides in that precinct, but the voter indicates that the voter continues to reside in the precinct.
2. The voter must complete this affidavit and sign it in the presence of a notary, or person authorized to administer oaths. An Election Day precinct election officer (that is, the Inspector, Judge, Poll Clerk, Assistant Poll Clerk, or Election Sheriff) or an absentee voter board member at early voting locations have the powers of a notary public when serving in those capacities and may complete the notarial statement found under the voter's signature line. (IC 33-42-9-7) Alternatively, if Box 2, 3, 4, or 5 applies, the voter may make an oral affirmation that will be transcribed and initialed by the poll clerks or absentee voter board members.
3. If this form is executed in the County Voter Registration Office not later than 4 p.m. the Monday before the election, the registration official must provide a copy of this form to the voter. On election day, the voter must submit this copy to the precinct election board before the voter will be permitted to vote.
4. This form may also be executed when an application for an absentee ballot is filed with the county election board of the county where the voter formerly resided and must be received before the deadline for the county to review and approve absentee applications.
5. This form may also be executed before the inspector of the precinct if the application and statement are executed on the day of the election. The inspector shall then provide the person with a voter registration application and request that the person complete and sign the application. The inspector then returns this form and any completed voter registration application to the county voter registration office.
6. This form **may not** be used in an election held only within a city or town when the voter has moved outside the city or town before the election; OR into the city or town from a precinct outside the city or town before the election but did not register to vote at the residence address in the city or town before the election; OR within the same precinct, but outside of the city or town. Election Day poll workers or absentee board members may give the voter a blank voter registration form to complete and return to the county voter registration office, who will review and process the request once registration re-opens after the election.
7. If, during the last thirty (30) days before any election, a voter has moved outside of school corporation boundaries and the school corporation has a special election concerning a school tax levy or controlled project on the ballot, the voter may use this form for the reasons noted in #1 but is **not** entitled to vote on the school corporation's public question. The county election board will have a ballot designated for this express purpose.
