

2002 IT-40EZ

Indiana Income Tax Return For Full-Year Indiana Residents with No Dependents *Forms and Instruction Booklet*

Who Can File Indiana Form IT-40EZ?

- If you:
- ✓ filed a federal Form 1040EZ,
 - ✓ were a full-year Indiana Resident in 2002,
 - ✓ have only Renter's Deduction and/or Unemployment Compensation Deduction,
 - ✓ have only Indiana state and county tax withholding tax credits,
- and
- ✓ are filing for 2002,
- ... then you can file an IT-40EZ!

If you don't meet **all** of the above requirements, you can't file this form. Also, you may be eligible for certain deductions (such as home owner's Indiana property tax deduction, military service deduction, interest on U.S. government obligations, etc.) and credits (such as college credit, credit for taxes paid to other states, etc.) that cannot be claimed on this return. If you cannot file this form you'll need to file either Form IT-40 for full-year Indiana residents or Form IT-40PNR for part-year and full-year nonresidents of Indiana. See the "Need Tax Forms or Information Bulletins?" section below for different ways to get forms.

Ready To File Your Return?

Use the Electronic Filing Program

More than 1,564,500 Indiana taxpayers took advantage of the 2001 Electronic Filing Program to file their state and federal individual income tax returns electronically.

This program provides Indiana taxpayers the opportunity to file their federal and state tax returns electronically and receive their Indiana refund in about half the time it takes to process paper...even less if you use **direct deposit**, which deposits your refund directly into your bank account. Even if there is an amount due on either return, Indiana taxpayers can still file electronically and feel comfortable knowing the returns were received by the IRS and the Indiana Department of Revenue.

Contact your tax preparer to see if they provide this service. Or, if you complete your own return, many preparers, banks, and credit unions throughout Indiana will transmit your return electronically for you.

Where's Your Refund?

The Automated Information Line allows you to check on the status of your refund. *Important:* You will need a copy of your completed tax return because you will need to know the first

social security number shown on your return and the exact amount of your refund in whole dollars.

When you call (317) 233-4018 you will receive the latest information available on the status of your refund. This touch-tone phone service is available beginning at 8 a.m. Monday through 10 p.m. Saturday. *Please wait approximately 12 weeks from the date you filed your return before calling to check on the status of your refund.* If you have a rotary phone, you may call (317) 232-2240 from 8:15 a.m. to 11:15 a.m. and 12:30 p.m. to 4:30 p.m., Monday through Friday, and a Department representative will help you.

A refund directly deposited to your bank account may be listed on your bank statement as a credit, deposit, etc. If you have received information from the Department that your refund has been issued, and you are not sure if it has been deposited in your bank account, call the ACH Section of your bank or financial institution for clarification.

Moving?

If you move to a new address after you file your tax return and do not have a forwarding address on file with the post office, the Department needs to know where to send your refund check and a tax booklet for next year. You can tell us your new address by calling the Department at (317) 232-2240, visiting a district office near you, writing to us at: Indiana Department of Revenue, IGCN Room N105, 100 N. Senate Ave., Indpls, IN 46204, or change it over the Internet at:

www.in.gov/dor/assistance/chg_address.html

Unresolved Problems?

Use the Taxpayer Advocate

As prescribed by the Taxpayer Bill of Rights, the Department of Revenue has an appointed Taxpayer Advocate whose purpose is to facilitate the resolution of taxpayer complaints and problems. If you have a complex tax problem you have not been able to resolve through normal channels, or a tax assessment places an undue hardship on you, you may receive assistance from the Office of the Taxpayer Advocate. Submit supporting information and documents to: Indiana Department of Revenue, Office of the Taxpayer Advocate, P.O. Box 6155, Indianapolis, IN 46206-6155.

Public Hearing

Mark June 17, 2003 on your calendar now!

In accordance with the Indiana Taxpayer Bill of Rights, the Department will conduct an annual public hearing on Tuesday, June 17, 2003. Please come and share your ideas on how the Department of Revenue can better administer Indiana tax laws. The hearing will be held at 9:00 a.m. in Conference Room 1 of the Conference Center, Indiana Government Center South, 402 West Washington Street, Indianapolis, Indiana. If you can't attend, please submit your concerns in writing to: Indiana Department of Revenue, Commissioner's Office, 100 North Senate Avenue, Indianapolis, Indiana 46204.

It is important that you enter the correct school district number. This information is used for statistical tracking purposes in order to determine possible school funding needs and changes.

The list of school district numbers can be found on pages 10 and 11. Note: If the primary taxpayer did not live in Indiana on January 1, 2002, enter the code number "9999". If the school district is not entered, the processing of your return will be delayed.

Line-By-Line Instructions

Important: Complete Your Federal 1040EZ First.

Line 1

Enter your federal "**adjusted gross income**" from federal Form 1040EZ.

Line 2

Enter the amount from line 3 of the Indiana Deduction Worksheet from the back of Form IT-40EZ.

Line 3

Subtract any line 2 deduction(s) from the amount on line 1. If the answer is less than zero, leave the line blank.

Line 4

Exemptions: Enter \$1,000 if filing a single return and \$2,000 if filing a joint return. *Note:* You are always eligible to claim a full \$1,000 personal exemption on your Indiana IT-40EZ (even if your parents or someone else can also claim you on their return).

Line 6

Multiply the amount on line 5 by .034 (3.4%) and enter the result here.

Line 7

Complete the County Tax Worksheet on page 3. Add the amounts on the worksheet from Section 1, line 4 and Section 2, line 6 and enter the total here.

Line 8 - Use Tax Due on Out-of-State Purchases

If, while a resident of Indiana, you made purchases outside Indiana by mail order, through radio or television advertising, over the Internet or directly from an out-of-state company, those purchases may be subject to Indiana sales and use tax if sales tax was not paid at the time of purchase. This tax, called "use" tax, is figured at 5% (.05) for purchases made from 1/1/02 through 11/30/02, and at 6% (.06) for purchases made from 12/1/02 through 12/31/02.

When you make purchases from a company in Indiana, that company is responsible for collecting the Indiana sales tax from you. When you make purchases from an out-of-state company, YOU are responsible for making sure the use tax is paid. Either the out-of-state company collects the tax from you or you must pay the tax directly to the State of Indiana.

Note: Do not include the following items on the worksheet: automobiles, watercraft, aircraft and trailers. A credit for taxes previously paid is not allowed for these items required to be titled, registered or licensed in Indiana. For more information regarding use tax call (317) 233-4015.

To figure your tax you should complete the worksheet below. If you did pay sales tax to the state where the item was originally purchased you are allowed a credit against your Indiana use tax for an amount up to 5% (.05) for purchases made from 11/02 through 11/30/02, and at 6% (.06) for purchases made from 12/1/02 through 12/31/02.

Line 10

Add the Indiana state income tax withholding amounts, which are usually found in box 17 of your W-2 forms, and enter the total in box 10a on this line. Next, add the Indiana county income tax withholding amounts, which are usually found in box 19 of your W-2 forms, and enter this total in box 10b on this line. Add the amounts in both boxes and enter the total on line 10.

Line 11

**Line 12 - Contribution To Indiana Nongame And Endangered Wildlife Fund**

The Nongame and Endangered Wildlife Fund gives you an opportunity to contribute to the conservation of wildlife that is endangered or not hunted, such as bald eagles, river otters, spotted turtles and songbirds. If you wish to contribute any part of your overpayment from Form IT-40EZ, line 11, just enter the amount of your donation on line 12. Your donation must be at least \$1.00.

If you do not have a refund, but want to support the Nongame and Endangered Wildlife Program, *do not change your tax return*. You can make a contribution to the Nongame and Wildlife Fund by completing the coupon on the back of this booklet.

You can learn more about Indiana's Nongame and Endangered Wildlife Program at www.wildlife.in.gov/

Line 15 - Amount You Owe Payment Options

You may pay the Amount You Owe on line 15 with a major credit card over the Internet. Log on to the web site at www.in.gov/dor/epay and use your American Express, Discover, MasterCard, or Visa.

A convenience fee will be charged by the credit card processor based on the amount you are paying. You will be told what the fee is and you will have the option to either cancel or continue the credit card transaction.

The **eCheck** payment method, which uses a paperless check, is available for the first time this year. This new service may be used to pay the tax due with your Indiana individual income tax return, as well as any billings issued by the Indiana Department of Revenue for any tax type. Go to our web site at www.in.gov/dor/, select Electronic Services, and follow the step-by-step instructions to make your payment. You will receive a confirmation number and should keep this with your tax filing records. The fee for using this service is \$1.00.

Note: All payments made to the Indiana Department of Revenue must be made with U.S. Funds.

Note: No payment is due if you owe less than \$1.00.

Note: You may owe penalty and interest if you file past the April 15, 2003 due date. Also, if you owe more than \$400, a penalty for the underpayment of estimated tax may be due. We will bill you if any of these penalties or interest are due. You also have the option to file the Form IT-40 and pay any penalties and interest due with that filing. See the "Need Tax Forms ...?" section on page 1 for options on how to get this form.

You'll need your federal Form 1040EZ to complete lines 1 and 2 below.

- Enter the unemployment compensation from your federal Form 1040EZ
- Enter the "**adjusted gross income**" from your federal Form 1040EZ
- Enter \$12,000 if single, or \$18,000 if married filing a joint return

Indiana Deduction Worksheet Instructions

Located on Back of Form IT-40EZ

Line 1 - Renter's Deduction

You may be able to take the renter's deduction if:

- a) you paid rent on your principal place of residence, **and**
- b) the place you rented was subject to Indiana property tax.

Your "principal place of residence" is the place where you have your true, fixed, permanent home and where you intend to return after being absent.

- If you rented a mobile home or paid rent on a lot for your mobile home, you may claim the renter's deduction if the above requirements are met.
- Rent paid for summer or vacation homes is *not* deductible.

You cannot claim the renter's deduction if the rental property was exempt from Indiana property tax. Examples of this type of property are:

- a) government owned housing, including Section 8 housing;
- b) property owned by a nonprofit organization;
- c) student housing;
- d) property owned by a cooperative association; or
- e) property located outside of Indiana.

The renter's deduction is the actual amount of rent paid or \$2,000, whichever is *less*. You must complete all the information on the worksheet. If you moved during the year or had more than one landlord, you must list the same information for each place that you rented. Attach additional sheets if necessary.

Important: You must maintain copies of your rental receipts, landlord identifying information, and lease agreements as the Department can require you to provide this information.

Line 2 - Nontaxable Portion of Unemployment Compensation

If you reported unemployment compensation on your federal income tax return, Form 1040EZ, then this amount is also included on Line 1 of Form IT-40EZ. Indiana may tax a different amount of income than is taxed on your federal return. Complete the worksheet on page 7 to determine the amount of your deduction.

County Tax Worksheet Instructions

If, on January 1, 2002, you and/or your spouse lived or worked in an Indiana county that had a county tax, then you must complete this worksheet. The counties having a tax are listed on page 4 with their tax rates. *Note: If the county on the chart has the initials "NA" in the rate columns, that means it doesn't have a county tax.* Its name is listed there so you can find the 2-digit code number for your county for the top of the IT-40EZ. Also, code number "00" is to be used by Indiana residents who worked out-of-state unless they live in the states listed on the bottom of the chart on page 4.

County of Residence

Your county of residence is the county where you maintained your home on January 1, 2002. If you had more than one home in Indiana on this date, then your county of residence as of January 1, 2002 was:

- a) where you were registered to vote. If this did not apply, then your county of residence was:
- b) where your personal automobile was registered. If this did not apply, then your county of residence was:
- c) where you spent the majority of your time in Indiana during 2002.

If you moved to another Indiana county after January 1, 2002, your county of residence for tax purposes will not change until next year.

- If, on January 1, 2002, you lived in a county that has a tax, then you will owe county tax on all of your Indiana adjusted gross income.
- If, on January 1, 2002, you lived in a county that has no tax, then county tax will be figured on your income from your principal employment if the county where you worked on January 1, 2002 has a tax.

Special Note to Married Taxpayers Filing a Joint Return

- If you lived in different counties on January 1, 2002, both of you need to figure your county tax separately on Section 1.
- If both of you lived in a county on January 1, 2002 that had no tax but worked in a county that did have a tax, you must figure your tax separately on Section 2.

Section 1 Instructions

Line 1

- If you are filing a single return, enter on line 1A the amount from Form IT-40EZ, line 5.
- If you are filing a joint return and you *both* lived in the same county that has a tax on January 1, 2002, enter on line 1A the amount from Form IT-40EZ, line 5. Leave Column B blank.
- If you are filing a joint return and you lived in different counties on January 1, 2002, then enter your share of the income on line 5 of the IT-40EZ. See how to do this in Example 1 below.

Example 1: On January 1, 2002, Jim and Rita lived in different counties. Their share of the income on line 5 of their IT-40EZ is figured in the following way:

			IT-40EZ
Breakdown	Jim's	Rita's	Line 5 Total
wages	\$23,000	\$21,000	\$44,000
interest	+ 40	+ 40	+ 80
renter's deduction	- 750	- 750	- 1,500
exemption	- 1,000	- 1,000	- 2,000
totals	\$21,290	\$19,290	\$40,580*

Jim will enter \$21,290 on line 1A and Rita will enter \$19,290 on line 1B. (* This is their IT-40EZ line 5 amount.)

Remember your Sales and Use Tax Obligations. See instructions on page 6.

County Where You Worked

Your county of principal employment is the county where your main place of business was located or where your main work activity was performed on January 1, 2002. If you began working in another county after January 1, 2002, the county where you worked for tax purposes *will not change until next year*. If you had more than one job on January 1, 2002 your principal place of employment is the job where you worked the most hours and earned the most income.

Example 2 - Jessie worked in Marion County on January 1, 2002. She quit that job and began a new one in Johnson County on February 10, 2002. She will enter the Marion County 2-digit code (49) as the county where she worked for 2002 even though she changed jobs during the year.

Principal Employment Income

You must figure your principal employment income if, on January 1, 2002, you *lived* in a county that *didn't* have a tax but *worked* in a county that *did* have a tax. You will be filling out Section 2 instead of Section 1. Your principal employment income is income you earned from your main work activity (job) for the entire year.

Example 3 - Jessie earned \$1,000 at her Marion County job from January 1 through February 2, 2002. She earned \$14,000 at her Johnson County job she began on February 10 and worked through year's end. Her principal employment income for the year subject to Marion county tax is \$15,000.

Example 4 - Steve earned \$15,000 from his full-time job. He also earned \$2,000 from a part-time job. If you work a part-time job and a full-time job at the same time, only the income earned from the job where you *worked the most hours and made the most income* will be principal employment income subject to tax. Steve's principal employment income that is subject to tax is \$15,000.

Additional Information

Deceased Individual Information

If the taxpayer and/or spouse died during 2002, and this return is being filed with his/her name on it, make sure to enter the month and day of death in the appropriate box located on the back of the IT-40EZ. For example, a date of death of January 9, 2002, would be entered as 01/09. **Note:** If the taxpayer and/or spouse died before or after 2002, do not enter his/her date of death in this box.

Motor Vehicle Information

Indiana law requires you to give certain information about all motor vehicles you owned or leased on December 31, 2002, when you file your income tax return. For purposes of this section a motor vehicle is a car, van, motorcycle or truck having a declared gross weight of 11,000 pounds or less. These vehicles are subject to the motor vehicle excise tax. Also, motor vehicles leased for more than thirty (30) days should be included in this section. A leased motor vehicle should be registered in the state where you reside. Not completing this section could cause a delay in processing your return.

Authorization Section

If someone other than you completed this tax return, you can give the Department permission to discuss your tax return with that person. Place a checkmark in the appropriate box on the back of the tax return. Also, you must enter that person's identification number in the boxes provided at the end of this section. Enter the person's social security number, federal identification number or preparer's tax identification number (PTIN) if completed by a professional preparer. If someone other than you completed this return, and you do not want the Department to discuss your return with that person, check the "No" box.

Signature Section

If this is a joint return, both you and your spouse must sign and date the tax return. Also, give us your daytime telephone number so we can call you if we have any questions about your tax return.

If a paid preparer completed this tax return for you, he/she must complete the paid preparer's signature section. The paid preparer must provide the name and address of the firm that he/she represents. Also, the preparer must sign and date the back of the tax return and provide his/her identification number (in the area below your signature). We also ask for the daytime telephone number of the preparer if you authorize us to discuss your tax return with the preparer.

Signing the decedent's tax return

If a joint return is filed by the surviving spouse, the surviving spouse should sign his/her name and after the signature write: "Taxpayer and Surviving Spouse".

If filing a return for a deceased individual, an executor or administrator appointed for the deceased's estate must file and sign the return (even if this isn't the final return), indicating their relationship after their signature (e.g. administrator).

If an executor or administrator has not been appointed, the person filing the return should sign and give their relationship to the deceased (e.g. "John Doe, nephew").

Contributions to the Indiana Nongame and Endangered Wildlife Fund

Donations to the Nongame and Endangered Wildlife Fund assist the Department of Natural Resources in managing and protecting over 550 species of Indiana wildlife. Your contributions to the Fund have brought back bald eagles and peregrine falcons to our skies and river otters to our waters.

These reintroduction programs and the many other projects implemented by the Nongame and Endangered Wildlife Program are funded almost exclusively by donations to the Indiana State income tax check-off.

If you would like to make a donation to the Fund, you may donate all or a portion of your tax refund on Line 12 of the IT-40EZ. You can also complete the form below and mail it and your check or money order made payable to the Fund to: Department of Natural Resources, Division of Fish and Wildlife, W-273 Indiana Government Center South, 402 West Washington, Indianapolis, IN 46204.

You can learn more about Indiana's Nongame and Endangered Wildlife Program at: www.wildlife.in.gov/

	I (We) wish to donate \$ to the Indiana Nongame and Endangered Wildlife Fund.
