

APPORTIONMENT OF MUNICIPAL GENERAL ELECTION COSTS IN COUNTIES USING PRECINCTS

(CEB-35)

State Form 51845 (R3 / 10-22) Indiana Election Division (IC 3-5-3-7; IC 3-5-3-8; IC 3-5-3-9;IC 3-5-3-10)

INSTRUCTIONS: (1) Complete a separate copy of this form for each city or town in which a municipal election was conducted on November 7, 2023 by the county election board (except those which had signed an agreement with the county to pay a fixed amount for the county to conduct the election). (2) Determine the total number of votes cast in the election in all cities and towns (except those which signed an agreement with the county). (3) Determine votes cast in each city or town as a percentage of the total municipal election votes cast. Example: The Town of Smallville had 100 votes cast in the election; a total of 1000 votes were cast in all cities and towns. Therefore, Smallville had 10% of the votes cast in the November 2023 election. (4) Determine the "Direct Expenses" to be charged to the city or town. "Direct Expenses" are those which were incurred for a specific city or town's election. Example: The county paid \$3,000 to a printer for municipal election ballots for the City of Hoosierville. This is a "Direct Expenses" that should be billed to Hoosierville. (5) Determine the "Other Expenses" to be charged to the city or town. "Other Expenses" are the expenses incurred beginning May 3, 2023 and ending November 8, 2023 for items that were not incurred just for a specific city or town. Example: The county pays \$2,000 in compensation to absentee voter board members, who serve voters of every city and town. The county must cover 25% of these "Other Expenses" and apportion the remaining 75% of the "Other Expenses" among the cities and towns, based on the percentage of the city or town's votes cast in the election. See above example after (3). (6) Forward the completed form to the county auditor and request that the auditor complete the certification below and forward the form to the appropriate city or town. (7) The county auditor must certify the amount of the expenses due to the city or town clerk or clerk-treasurer no later than December 7, 2023. The city council or town council must appropriate funds to reim
